1999 Ford Transmission Solenoid replacement part 1 - YouTube
When I turn the ignition key on to crank the engine, I get a very loud clicking sound from the starter solenoid on the firewall. I replaced the solenoid, but get the same response out of this one. The starter does not engage, but all the lights work. I am getting power to the solenoid, but when I took the lead that goes to the starter and touched it to the "hot" lead from the battery, it just ...
