Suzuki RMX250 1999 (X) parts  
lists and schematics

For 1999, the RM250 combines  
smooth power delivery with  
more kick across the  
powerband. Its crankshaft  
has less inertia to allow  
the engine to rev more  
quickly, which you'll feel  
as stronger acceleration,  
and everyone else will see  
as a monster roost.
