Checklist

The BSc Mathematics with Management with a Year in Industry programme includes an industrial placement which takes place in the third year of this four-year degree. Your placement will be spent working in an appropriate business or industry related to mathematics, and you will benefit from our established connections with local, national and multinational organisations.

Mathematics with Management BSc | Undergraduate Study ...

Of course, many of the ideas can be recycled for any year, but on the other hand, each new year brings a new set of opportunities. \$2010\$ clearly gives the chance to look at \$10\$, place value, decimals and the number system and for that matter decagons, but when \$2011\$ arrives we'll be able to ask about prime number years, formations for football teams, and number names needing three syllables.

2010: A Year of Investigations - Mathematics Resources for ...

The PhD degree usually involves a qualifying dissertation submitted during the second year of study, which is helpful training for writing the PhD thesis. Postgraduate students in the Management Mathematics Group acquire widely useful knowledge and skills, ranging from theory to computational implementation and live applications.
