The official book of Milan on the occasion of its 120th anniversary. On December 1899, Milan Football and Cricket Club was officially established. From that moment on, the glorious history of Milan started as the club wrote its name in football's record books becoming one of the most famous and successful teams in the world, especially over the last 15 years. Rossoneri's history is studded with the

legendary names of those men who have made a major contribution to the club's development: presidents, coaches or players. Milan is one of the most successful clubs in Italy, having won a total of 30 domestic honours, in addition to their continental successes. Milan has won the Scudetto 18 times, the Coppa Italia five times and the Supercoppa Italiana seven times. They won their first title in their second season, winning the 1901 Italian Football Championship, while their most recent success came in 2011, when they won their 18th Scudetto. The book traces the history of the leading Italian soccer team AC Milan from the team's 1899 founding to the present. Through its pages and images, the reader is able to go through the victories harvested by the most emblematic players and trainers of the organization. But the book is not only the history of a successful club; infact AC Milan is firmly convinced that sport and football can become important opportunities in terms of education and physical and mental well being. Alongside the football glories and the successes, the book details the club's activities and projects: infact, AC Milan firmly believes in the social value of football, capable of creating dreams, emotions, expectations and values for millions of people. The club has undertaken a comprehensive process of corporate social responsibility. Through sport, which educates, brings together and inspires, Fondazione Milan gives support to all the youngsters in need to invest in their untapped potential and help them make their dreams come true, so that all have the opportunity to develop their talent.

This book serves as a foundation for MRI guided laser interstitial thermal therapy (LITT) across neurosurgical diseases. It provides state-of-the-art information on the latest indications and results for LITT in CNS applications, as well as prerequisite historical perspective and technical fundamentals. Written by experts in the field, the text reviews the historical development of LITT, the technical and technological components required to perform LITT, its indications and contraindications, areas that

still require investigation, LITT complications, and challenges to starting up LITT within one ' s practice. As early adopters of the technology, the authors provide sage advice that reflects the initial learning curves of many of the users. The book then concludes with a practical guide to starting up a LITT practice in the current medical socioeconomic environment. *Laser Interstitial Thermal Therapy in Neurosurgery* is a guide that will allow all neurosurgeons interested in LITT to successfully adopt the technology and incorporate its use seamlessly, safely and appropriately into their individual practices.

Moving to a new Amish settlement in small-town Colorado was a brave new start for independent-minded quiltmaker Esther Kiem. But helping her reckless relative will really put her special matchmaking skills to the test . . . Mischievous and rebellious, young Ben Kiem is making the wrong kind of name for himself throughout the town of Byler. And even though his sister-in-law, Esther, somehow coaxes him into keeping company with sensible Linda Eicher, Ben can ' t see anything they have in common. Or that he could ever be good enough for someone like her. But Linda ' s down-to-earth nature and unexpected understanding have Ben trying his best to be better, no matter how challenging . . . Linda couldn ' t be more surprised when Ben turns out to be caring and helpful, despite his rowdy pranks and bad-news friends. And falling in love with him suddenly seems just right. But when a heartbreaking misunderstanding comes between them, both she and Ben must risk enough to trust, stitch the pieces back together—and dare a forever precious happiness. Praise for Jennifer Beckstrand and Abraham “ This is an endearing romance that fans of Wanda Brunstetter will love. ” —Publishers Weekly

How to Knit is the ultimate knitting guide for the absolute beginner. For those with little or no knitting experience, this simple-to-learn, project-based book will start with the basics and take you through the initial stages of this fun and creative craft. Each technique is clearly explained and accompanied by a stylish project to make, so that you can put your newly acquired knowledge into practice. Demonstrate your new skills to friends and family with designs that include a hobo bag, beanie hat or clutch bag. Beginners will learn all the essentials, from how to hold needles, cast on and off, make a tension swatch and form the basic knit and purl stitches, to how to knit stripes, cable, rib and lace, plus shape their knitting and add buttonholes. Clear step-by-step illustrations and beautifully shot photographs of the finished projects are included throughout, making it both practical and inspirational--the ideal book for want-to-be knitters! Projects include: tablet cover, hot-water bottle cover, striped hobo bag, fingerless gauntlets, beanie hat with felt corsage, envelope clutch bag, cabled placemats and coasters, chunky lace cowl and patchwork cushion cover.

Describes the rules and techniques of moto-cross racing and the construction of the motorcycles used in the events.
