project work in high  
crime neighborhoods

and it describes a

new theory in city

planning and crime  
prevention. The book

includes chapters on

urban planning,

community

development, crime  
prevention, and new

policing strategies.

Chapter authors

# File Type PDF

## 21st Century

include criminologists, community workers, urban planners, police specialists, and others directly involved in community work and urban design.

Chapters also include summaries of recent SafeGrowth Summits, planning and visioning sessions for creating a new path forward.

Chapters include:
