Consider, too, the way capitalism's engine of growth has enabled the planet to sustain almost 7 billion people, compared to 1 billion in 1800. As Deirdre McCloskey has noted, if you multiply the gains in consumption to the average human by the gain in life expectancy worldwide by 7 (for 7 billion as compared to 1 billion people), humanity as a whole is better off by a factor of around 120.

Capitalism Is Good for the Poor—Foundation for Economic...

People traded those goods locally, and that trade strengthened local communities. But then, Capitalism was invented, and darkness spread across the land. The capitalists developed ingenious techniques for squeezing wealth out of workers, and then sucking up all of societies' resources for themselves.

Socialism is more popular with the people - despite Jeremy Corbyn's poll ratings (Getty Images) British people prefer socialism to capitalism, a new survey has found. A study by YouGov has found...

Socialism 'more popular' with British public than ...

One of the most important books to come out in the past decade, "A Capitalism for the People" should be mandatory reading for everyone serving in government. Zingales' thesis is that big business and big government are two sides of the same coin, and that movements like Occupy Wall Street and the Tea Party fail to grasp this interdependence.

Amazon.com: Customer reviews: A Capitalism for the People

British people are more likely to view socialism favourably than capitalism. We have seen recently in the United States how the concept of socialism - for years, a dirty word in associated with Soviet Russia - is enjoying a comeback among the youngest generation. It is translating into a tangible movement in the Democratic primaries and for Bernie Sanders' 'democratic socialist' campaign, in a ...
