The media at the time reported that it was likely that the factory would be able to secure a drive at a top team at this late stage. Yet incredibly, in October 2009, Jenson Button was crowned World Champion, and the new team that had risen from the ashes of the Honda Racing F1 team - Brawn GP - secured the constructors' championship in their first season, a feat never before achieved. If this were a movie script you wouldn't believe it possible, so how did it happen? From the New York Times bestselling author of The Big Bam A clash of NBA titans. Seven riveting games. One young reporter. Welcome to the 1969 NBA Finals. They don ' t set up any better than this. The greatest basketball player of all time - Bill Russell - and his juggernaut Boston Celtics, winners of ten (ten!) of the previous twelve NBA championships, squeak through one more playoff run and land in the Finals again. Russell ' s opponent? The fearsome 7 ' 1 " next-generation superstar, Wilt Chamberlain, recently traded to the LA Lakers to form the league ' s first dream team. Bill Russell and John Havlicek versus Chamberlain, Jerry West and Elgin Baylor. The 1969 Celtics are at the end of their dominance. The 1969 Lakers are unstoppable. Add to the mix one newly minted reporter. Covering the epic series is a wide-eyed young sports writer named Leigh Montville. Years before becoming an award-winning legend himself at The Boston Globe and Sports Illustrated, twenty-four-year-old Montville is ordered by his editor at the Globe to get on a plane to L.A. (first time!) to write about his luminous heroes, the biggest of big men. What follows is a raucous, colorful, joyous account of one of the greatest seven-game series in NBA history. Set against a backdrop of the late sixties, Montville ' s reporting and recollections transport readers to a singular time – with rampant racial tension on the streets and on the court, with the emergence of a still relatively small league on its way to becoming a billion-dollar industry, and to an era when newspaper journalism and the written word served as the crucial lifeline between sports and sports fans. And there was basketball – seven breathtaking, see-saw games, highlight-reel moments from an unprecedented cast of future Hall of Famers (including player-coach Russell as the first-ever black head coach in the NBA), coast-to-coast travels and the clack-clack-clack of typewriter keys racing against tight deadlines. Tall Men, Short Shorts is a masterpiece of sports journalism with a charming touch of personal memoir. Leigh Montville has crafted his most entertaining book yet, richly enshrining luminous players and moments in a unique American time.

A centennial tribute to the beloved ballpark shares the behind-the-scenes story of its tumultuous origins and first year, sharing coverage of such topics as the unorthodox blueprint that belies the park's notorious quirks, the construction contributions of local citizens and the history-making World Series battle between the Red Sox and the Giants. 25,000 first printing.

This engaging book chronicles the Carbondale Terriers ' 1993–94 season, a season in which the team progressed all the way to the state high school basketball championship game before ending the season with a one-point loss. Although arranged chronologically, the book is much more than a team diary. Paul E. Bates, whose son was one of the team ' s starting guards, brings his sensitivity and expertise as an educational psychologist to bear on team sports in general and on how they define and are defined by the players and coaches that make up the teams and by the communities in which they thrive. Bates frames the team ' s experience by sharing his own personal love of basketball, beginning with his childhood years in Decatur, Illinois, when Stephen Decatur High School was a perennial Illinois high school powerhouse. Through his exploration of the sport and his involvement and interest in it, Bates creates a book that serves both as a rousing tale of youthful achievement and as a history of high school basketball in the state of Illinois. Throughout his account, Bates repeatedly emphasizes his belief that extraordinary accomplishment is no accident but rather the result of years of preparation, dedication, and hard work. Most of the key performers on the 1993–94 Terriers, for example, had played together on a grade school all-star team that was undefeated. Then, in junior high, this group went on to win numerous championships, and in high school their remarkable success continued, even though their accomplishments were humbled by season-ending losses. But Vicarious Thrills leads the reader through a very personal account of both the ups and downs of championship basketball. Triumph does not occur without defeat, and it is through defeat that the team members, as well as their families and other supporters, learn many important lessons. As significant as the individual and team accomplishments are in making up this story, the 1993–94 basketball season is more importantly a beginning rather than the defining moment in the lives of these young men. As an inspiration and motivation to young people, and as a spark to memories of childhood aspirations for older readers, this book is a pleasure to read for individuals of all ages.

A black-black comedy. The play is a harsh, sardonic comedy, a melodrama, and a tragedy.
