The lead developer of  
Terraria, Redigit, has  
confirmed that the Guide is  
the Wall of Flesh on the  
official Terraria Discord.  
According to Redigit, the  
Guide is the brother of the  
ninja inside King Slime,  
great grandson of the nymph,  
and son of the Moon Lord. It  
is unknown whether this is  
canon or a joke.

Terraria has no formal player class or leveling system. However, weapons can be grouped into four (and in the case of console versions, five) distinct categories based on their damage type - melee, ranged, magic, and summoning. Each class has its strengths and weaknesses and has a wide variety of weapons to choose from. Melee - strong class that sports the highest defense on average and ...

Expert Mode is a world setting in Terraria that greatly increases difficulty, but improves item drop rates and offers a handful of unique boss drops. Enemies deal much more damage and have more health, debuffs last twice as long, and several bosses behave differently. It's recommended that you play Normal mode first to get a feel of the game.
