If you ask the average woman how much sizzle there is in her marriage, she'll probably answer, "Not enough!" Being a mom is overwhelming, and it's easy for moms to slip into the habit of allowing responsibilities for kids, work, and church to interfere with their relationship with their husbands. They don't have the energy or the ideas they need to have a spicy, satisfying sex life. Hot Mama to the rescue! Kathi Lipp and Erin MacPherson set out on a mission to find out what it takes for busy moms to feel confident and sexy. In this witty book, they share hilarious stories and creative ideas from moms all over the country that will help readers build a relationship with their spouse that's happy, healthy, and fun. From building confidence and banishing guilt to flirting (remember that?) and wearing clothes that make you--and him--feel hot, Kathi and Erin offer women all the encouragement, motivation, and know-how they need to take their sex lives from ho-hum to hot.

A note is left on a car windshield, an old dog dies, and Kent Nerburn finds himself back on the Lakota reservation where he traveled more than a decade before with a tribal elder named Dan. The touching, funny, and haunting journey that ensues goes deep into reservation boarding-school mysteries, the dark confines of sweat lodges, and isolated Native homesteads far back in the Dakota hills in search of ghosts that have haunted Dan since childhood. In this fictionalized account of actual events, Nerburn brings the land of the northern High Plains alive and reveals the Native American way of teaching and learning with a depth that few outsiders have ever captured.

You count a pregnancy by weeks and Kayla Aimee had only ticked off 24 of the 40 when she unexpectedly went into labor. She thought her church upbringing had prepared her for every circumstance but when tragedy struck and threatened to take the life of her newborn daughter, it felt as though once solid ground had turned to glass beneath her feet, destined to shatter everything she held sacred. When swept into a story of suffering, we all find ourselves vulnerable, questioning everything we thought we knew as we wonder, “Where is God in this?” With everything feeling as fragile as her one and a half pound daughter, Kayla finds herself asking that same question as she faces her greatest fear: that she may have finally become a mother just to lose her only child. Both poignant and humorous, *Anchored* recounts Kayla's gripping story of learning to navigate her newfound motherhood in the most unexpected of ways, from holidays in the hospital and middle-of-the-night phone calls to the joy of coming home. With vulnerability and plenty of wit, Kayla lays bare her struggle to redefine her faith, her marriage, and herself within the context of a tragedy she never saw coming. For anyone who has felt their faith in God falter, *Anchored* extends a gentle invitation to join her as she uncovers a hope that holds.

In *Staying Happy, Healthy and Hot*, author and Rock and Roll Hall of Fame radio personality Dick Summer introduces us to his brand new “Louie Louie Generation.” Louie Louie Ladies and Lads don't look like the people in the beer commercials with their fancy abs and perky breasts any more. But like their theme song, they have an avalanche of “attitude.” It's a happy attitude. And as you know, being happy helps keep you healthy. And when you're healthy you tend to be hot. *Staying Happy, Healthy And Hot* is a collection of true stories about Dick Summer's life as a husband, a father, a grandfather, and just an every day guy. There are stories about his days as a national broadcasting personality, his career as a hypnotherapist and his passion for flying his airplane. But mostly it tells about his long, hot romance with his wife Barbara, or as he calls her, “My Lady Wonder Wench.” With humor and candor, this memoir shows how one man refuses to allow all the candles on his birthday cake to set off any sprinkler system that could put out the fire in his love affair with life, and with his wife.

Twelve men pull off what should have been a perfect crime. In Montana they rob both the sellers and buyers of drugs and leave no witnesses. There is one glitch in the plan. One of the buyers turns out to be a DEA agent. Feds are all over the place, backing the men into a corner. To escape they go to the most isolated place in Wyoming, the small town of Heritage located in the Rocky Mountains. When the town's people learn who they are, the gang takes over the town raining havoc and violence. Only one man is in position to fight back but the odds are sorely against him.
