New York Times bestselling author Kevin Hearne returns to the world of his beloved **Iron Druid Chronicles** in a spin-off series about an eccentric master of rare magic solving an uncanny mystery in Scotland. "A terrific kick-off of a new, action-packed, enchantingly fun series."—Booklist **Al MacBharrais** is both blessed and cursed. He is blessed with an extraordinary white moustache, an appreciation for craft cocktails—and a most unique magical talent. He can cast spells with magically enchanted ink and he uses his gifts to protect our world from rogue minions of various pantheons, especially the Fae. But he is also cursed. Anyone who hears his voice will begin to feel an inexplicable hatred for Al, so he can only communicate through the written word or speech apps. And his apprentices keep dying in peculiar freak accidents. As his personal life crumbles around him, he devotes his life to his work, all the while trying to crack the secret of his curse. But when his latest apprentice, Gordie, turns up dead in his Glasgow flat, Al discovers evidence that Gordie was living a secret life of crime. Now Al is forced to play detective—while avoiding actual detectives who are wondering why death seems to always follow Al. Investigating his apprentice's death will take him through Scotland's magical underworld, and he'll need the help of a mischievous hobgoblin if he's to survive.

From the New York Times bestselling author of **The Iron Druid Chronicles** comes book two of an "action-packed, enchantingly fun" (Booklist) spin-off series, as an eccentric master of rare magic solves a supernatural mystery **Down Under!** There's only one **Al MacBharrais**: Though other Scotsmen may have dramatic mustaches and a taste for fancy cocktails, Al also has a unique talent. He's a master of ink and sigil magic. In his gifted hands, paper and pen can work wondrous spells. But Al isn't quite alone: He is part of a global network of sigil agents who use their powers to protect the world from mischievous gods and strange monsters. So when a fellow agent disappears under sinister circumstances in Australia, Al leaves behind the cozy pubs and cafes of Glasgow and travels to the Dandenong Ranges in Victoria to solve the mystery. The trail to his colleague begins to pile up with bodies at alarming speed, so Al is grateful his friends have come to help—especially Nadia, his accountant who moonlights as a pit fighter. Together with a whisky-loving hobgoblin known as Buck Foi and the ancient Druid Atticus O'Sullivan, along with his dogs, Oberon and Starbuck, Al and Nadia will face down the wildest wonders Australia—and the supernatural world—can throw at them, and confront a legendary monster not seen in centuries.

After having escaped from vengeful Norse gods in the Arizona desert with the help of the Navajo trickster god Coyote, ancient Druid Atticus O'Sullivan finds himself facing off against bloodthirsty desert shape-shifters called skinwalkers.

Atticus, Granuaile, and the wolfhound Oberon flee from Olympian goddesses Artemis and Diana and the Norse god of mischief, Loki, racing across modern-day Europe in search of a friend who can help them defeat the angry gods.

In an irreverent series in the tradition of Monty Python, the bestselling authors of the **Iron Druid Chronicles** and **Star Wars: Pasma** reinvent fantasy, fairy tales, and floridly written feast scenes. "Ranks among the best of Christopher Moore and Terry Pratchett."—Chuck Wendig "When you put two authors of this high caliber together, expect fireworks. Or at least laughs. What a hoot!"—Terry Brooks Once upon a time, in a faraway kingdom, a hero, the Chosen One, was born. . . . and so begins every fairy tale ever told. This is not that fairy tale. There is a Chosen One, but he is unlike any One who has ever been Chosened. And there is a faraway kingdom, but you have never been to a magical world quite like the land of Pell. There, a plucky farm boy will find more than he's bargained for on his quest to awaken the sleeping princess in her cursed tower. First there's the Dark Lord, who wishes for the boy's untimely death. . . . and also very fine cheese. Then there's a bard without a song in her heart but with a very adorable and fuzzy tail, an assassin who fears not the night but is terrified of chickens, and a mighty fighter more frightened of her sword than of her chain-mail bikini. This journey will lead to sinister umlauts, a trash-talking goat, the Dread Necromancer Steve, and a strange and wondrous journey to the most peculiar "happily ever after" that ever once-upon-a-timed. Praise for **Kill the Farm Boy** "A rollicking fantasy adventure that upends numerous genre tropes in audacious style . . . a laugh-out-loud-funny fusion of Monty Python–esque humor and whimsy à la Terry Pratchett's Discworld."—Kirkus Reviews "Dawson and Hearne's reimagining of a traditional fairy tale is reminiscent of William Goldman's **The Princess Bride** and William Steig's **Shrek!** Irreverent, funny, and full of entertaining wordplay, this will keep readers guessing until the end."—Library Journal "Will have you laughing out loud until strangers begin to look at you oddly."—SyFy "A smart comedy . . . nuanced, complicated, and human."—Tordotcom "[Delilah Dawson and Kevin Hearne] make fun of the typical 'white male power fantasies,' and in that, they succeed, with their heroes all characters of color and/or falling somewhere under the LGBTQ umbrella."—Publishers Weekly
