Anchoring Accountability for Mass Atrocities: A Project to Research and Advise on the Permanent Support Needed to Fulfill International Investigative Mandates. Over the past ten years, there has been a dramatic shift in the willingness of bodies within the United Nations - among them, the Human Rights Council, the General Assembly, and the Security Council to direct and, increasingly, to establish entities to investigate, analyse, and engage in case-building in situations of mass atrocity ...

Accountability for Atrocities—Human Rights Watch

As with all human rights violations, victims of mass atrocities have the right to truth, justice, reparation and the guarantee of no repetition. Accountability is central to the concept of justice and is considered a form of reparation as well as key for ensuring non-recurrence. Yet achieving accountability for perpetrators of atrocities is difficult and relatively rare.
