Based on decades of research and written in clear, concise prose by one of the foremost geographers in North America, John C. Hudson's Across This Land is a comprehensive regional geography of the North American continent. Dividing the terrain into ten regions, which are then subdivided into twenty-seven smaller areas, Hudson's brisk narrative reveals the dynamic processes of each area's distinctive place-specific characteristics.

▯Across the Lands is a hymn originally written by Stuart Townend and Keith Getty for the prayer book, ▯Operation World,▯ celebrating the worldwide breadth of the Christian gospel. Taking the theme of how God speaks ▯ beginning in creation echoing John 1, then incarnation, crucifixion and resurrection and His promised return ▯ it is a useful song for opening services and for responding to mission.

Their gorgeous sophomore album Across The Field is a work of bold artistry, drawing connections between the traditional and psychedelic through dexterous improvisation and deep appreciation of the living culture of their songs. Their feminist interpretations of lyrics reflective of another time and attitude is both empowering and illustrative.
