century of ecological research and management in two million hectares of African savanna. The Kruger Experience places the scientific and management experience in Kruger within the framework of modern ecological theory and its practical applications. The book uses a cross-cutting theme of ecological heterogeneity -- the idea that ecological systems function across a full hierarchy of physical and biological components, processes, and scales, in a dynamic space-time mosaic. Contributors, who include many esteemed ecologists who have worked in Kruger in

and happiness? And what happens when we don't work? Joanna Biggs has travelled the country to find the answers, talking to interns and bosses, professionals and entrepreneurs, thinkers and doers. She takes us from Westminster to the Outer Hebrides, from a hospital in Wales to the industrial Midlands, introducing us to different worlds of work and the people who inhabit them. Rich with the voices of the wealthy and poor, native and immigrant, women and men of the UK in the twenty-first century, *All Day Long* shows us who we are through what we do.
