John C. Payne is a professional marine electrical engineer with 23 years merchant marine and off-shore oil experience.

This book will provide you with all the information you need to know about hot tubs and spas, whether you are looking to buy one or already own one. It will help you to determine what you want and what you need, how to install it, clean it, and control the settings. You will learn about the health benefits of hot water, including hydrotherapy, aromatherapy, reflexology, chromotherapy, and Watsu. You will also learn about soft sided spas, acrylic spas, cabinets, pumps, flow rate, skimmers, suction ports and drains, jets, special waters, covers, ozonators, heaters, permanent spas, blowers, spa packs, plumbing issues, alkalinity, water hardness, temperature, sanitizers, oxidizers, water analysis, the pH scale, and test kits. Also included is a discussion of cartridges, including sand and diatomaceous earth (DE), and water chemistry. Additionally, it will provide you with tips for buying, realistic cost estimates, winterizing, and upgrade options, plus tricks and tools of the trade. --Adapted from back cover.

Dan Hardy has used every available resource in his 20-year career as a pool professional to add to his store of knowledge about making and keeping water safe. An untiring and dedicated 'Pool Doctor', he has become the 'go to' man for owners of some of the world's largest, most ornate, and expensive private swimming pools -- including that of award-winning actor Mr John Travolta and his wife, Kelly Preston. Dan started working on pools as a boy in his dad's firm. Not content with doing routine maintenance, he began learning all he could about chemicals, mechanics, and safety. In this book he may just be a lifesaver to pool owners who want to save money on maintenance but need to know how to handle poisons safely. Pool maintenance business owners will want to have this book on hand as an easy guide to repairing filtration and pumps and dealing with serious pool problems. And anyone who wishes to have such a career could have no better mentor than Dan Hardy.

Includes index.

Complete data on over 50 years of America's original pony car. Ford's Mustang is America's most popular pony car. Whether you're a collector, historian, or armchair enthusiast, you need all the specs and details that in sum define each Mustang year and model. Ford Mustang Red Book is your one-stop information shop--a key companion for shows, auctions or any venue where you need to quickly and easily access accurate reference data. From the first six-cylindere Mustang of the 1964-1/2 model year, through fire-breathing, world-beating Boss and Shelby models, to 2015's all-new Mustang, Ford Mustang Red Book offers all the data and detail Mustang fans lust after. This is an in-depth look at all the Mustang models, including the anniversary and pace cars, and the specialty packages for street and competition driving that have made the Mustang an automotive legend. Don't miss out on the ultimate reference resource on America's best-loved pony car!
