out of your sewing machine and give all your sewing and quilting projects a professional look! In *Sewing Machine Magic*, author and sewing expert Steffani Lincecum shares 30+ years of experience on how to handle a sewing machine with greater ease and confidence, and explains how to easily find and use the right presser feet and other accessories for your machine, whether you purchased it at retail or found it at a yard sale. You'll learn the logistics of managing thread, how to achieve the proper stitch formation for every project, and how to troubleshoot a variety of common sewing problems. Learn to use more than 30 presser feet and other accessories, from the basics to more specialized tools designed to maximize efficiency, precision, and creativity. The 10 fashion and home decor projects show inventive ways to use some of the feet and accessories.

photos, and a handy A-to-Z format, this classic on metal thread work is essential for any embroiderer. There's a wealth of information on every aspect of this challenging and exciting skill: basic and advanced tools, sumptuous fabrics, golden threads for stitching, and precious stones for adornment. Every possible technique--ranging from the 16th-century Arabesque style to French Knots--appears with easy-to-follow diagrams and close-up pictures. Take an inspiring look at items old and new that feature metal thread embroidery, and use the gazetteer as a guide to places around the globe that showcase fine examples.
