Jansson's BECOMING AN EFFECTIVE POLICY ADVOCATE teaches you the ins and outs of conducting policy-practice in order to prepare you to implement policy reform during your own career. The seventh edition's coverage includes discussion of such events and issues as Barack Obama's presidency, the Occupy Wall Street movement, the Arab Spring, and more.

Jansson's BECOMING AN EFFECTIVE POLICY ADVOCATE goes beyond the traditional foundational approach to policy and helps students develop the skills they need to become advocates for social change. Students are taught the ins and outs of conducting policy practice and policy advocacy so that they can engage in policy advocacy at micro, mezzo, and macro levels during their own careers. The book presents a unique framework built around eight tasks and four skills needed by social workers in their policy advocacy. Policy Advocacy Challenges allow students to apply concepts to actual examples. Examples are included from the Barack Obama presidency and the 2016 presidential primaries and elections, with particular emphasis on policies related to inequality. Part of the Brooks/Cole Empowerment Series, the eighth edition is completely up to date and integrates the core competencies and recommended practices in the CSWE's 2016 Educational Policy and Accreditation Standards (EPAS). child welfare, education, immigrants/global, mental health, and criminal justice sectors. Author Bruce S. Jansson identifies seven core problems within each sector as well as the skills social workers need, the challenges they face, and the interventions they can use at each level of advocacy. Integrated vignettes, video clips, and robust resources underscore the text's hands-on, advocacy approach. Relevant to many Educational Policy and Accreditation Standards (EPAS) including policy practice, the book is designed for policy foundation courses.

Now in its sixth edition, *BECOMING AN EFFECTIVE POLICY ADVOCATE*, International Edition continues to embrace the policy-practice framework that made it a success while including coverage of important recent developments in the field. This groundbreaking text goes beyond the traditional foundational approach to policy and helps students develop the skills they need to become advocates for social change. Students are taught the ins-and-outs of conducting policy-practice so that they will be prepared to implement policy reform during their own careers.

Designed to help build powerful community organizations, empower ordinary citizens to become leaders, and bring about major social and economic change, this book offers a coherent practice-based framework for understanding social action, with power and empowerment at the center of analysis. Topics include recruiting members, consensus building, leadership, publicity, and fundraising.

Jansson's *BECOMING AN EFFECTIVE POLICY ADVOCATE* teaches you the ins and outs of conducting policy-practice in order to prepare you to implement policy reform during your own career. The seventh edition's coverage includes discussion of such events and issues as Barack Obama's presidency, the Occupy Wall Street movement, the Arab Spring, and more. By going beyond the traditional foundational approach to policy, this groundbreaking text helps you develop the skills you need to become an advocate for social change.

This guide promotes the use of analytical skills in community organization practice, including information gathering and processing, legislative research, needs assessment, participatory action research, political analysis, population forecasting and social indicator analysis, power analysis, program development and planning, resource development, budgeting, and grant writing,. These analytical methods, often used in practice but seldom systematically discussed, assist the practitioner in identifying community problems, planning interventions, and conducting evaluations. The text explicates a problem-solving model that identifies concepts and theories underlying practice, methods for problem identification and assessment, and techniques for goal setting, implementation, and evaluation. It features extensive listings of Web sites for community organization practice and is dedicated to the idea that the community organizer, to be truly effective, must be prepared to be an active learner.

The need has never been more crucial for community health providers, programs, and organizations to have access to training in addressing the unique behavioral health challenges facing our veterans, active duty military, and their families. *Handbook of Military Social Work* is edited by renowned leaders in the field, with contributions from social work professionals drawing from their wealth of experience working with veterans, active duty military, and their families. *Handbook of Military Social Work* considers: Military culture and diversity Women in the military Posttraumatic stress disorder in veterans Traumatic brain injury in the military Suicide in the military

Homelessness among veterans Cycles of deployment and family well-being Grief, loss, and bereavement in military families Interventions for military children and youth Offering thoughtful advice covering the spectrum of issues encountered by mental health professionals working with individuals and families, Handbook of Military Social Work will contribute to the improvement of efforts to help our military personnel, veterans, and their families deal with the challenges they face.

A practical approach to understanding social work concepts in action that integrates theory and practice In this updated edition of the classic social work text, students and instructors have access to real-world demonstrations of how social work theories and concepts can be applied in practice. The case studies in this book bridge the gap between the classroom and the field by allowing students to discover the when, why, and how of social work principles. Brief but comprehensive topic overviews are brought to life by case studies that apply general theories to the work of social work. Each of the book's nine sections cover an essential area of social work, encompassing the micro, mezzo, and macro levels Highly readable explanations are followed by 3-5 case studies relating theory to the living practice of real social workers Topics include Generalist Practice; Family Therapy, Treatment of Adults; and Diversity Approaching each topic from a variety of different theoretical bases, this essential text allow students to learn by concrete example, experiencing social work concepts as they are applied in the profession today.

Much more than a historical look at America's social welfare system, this acclaimed book offers insights into our ambivalent social welfare policy and its impact on specific out-groups--African Americans, Latinos, Native Americans, women, and others--that are often overlooked in other texts. In addition to comprehensive coverage of the historical development of the welfare system, author Bruce S. Jansson also analyzes its limits, strengths, and policies...how its evolution and structure compare with systems in other countries...and the effects of policy changes on the future of the social work profession. As they explore Jansson's highly respected text, your students will see how understanding historical events can be powerfully relevant to the study of current social welfare policy and the profession of social work. The book analyzes the evolution of the American welfare state from colonial times to present and places social policy in its political, cultural, and societal context. Using social policy as a catalyst, Jansson invites students to think critically about issues, developments, and policies in prior eras and in contemporary society. He encourages students to become social reformers and to develop their own policy identities.
