ABOUT BIBLICAL ELDERSHIP RESOURCES. Our vision is to promote biblical eldership for the glory of God by providing teaching, resources, training, and mentoring for current and future church leaders who will implement, practice, teach, and train others in biblical eldership as the model for church leadership. In other words, we are equipping one generation of elders to equip the next generation of elders who will, in turn, equip the following generation.

Part Four includes two short chapters, one on the appointment of elders and one on the relationship with elders and their congregation. Biblical Eldership is a great book that covers an underserved area of theology and should serve as an example for other Christian authors who want to cover church topics. It is Biblical, thorough, and well written.
