Understand American politics from past to present. American Government: Roots and Reform is guided by the belief that students must first understand the origins of American government in order to understand the issues facing the United States today. This bestselling text offers the strongest coverage of history and current events to study present political structures and behaviors in full constitutional and historical context. American Government: Roots and Reform not only helps students learn how our government evolved and how they can become more informed citizens but it also encourages them to discover that politics can be -- and most often is -- a good thing. MyPoliSciLab is an integral part of the O'Connor program. Key learning applications include MyPoliSciLab Video Series, Explorer and Simulations. - Publisher.

Guided by the belief that students must first understand the origins of American government to fully understand the issues facing the United States today, this market-leading text offers the strongest coverage of both history and current events of any college textbook devoted to American politics. From hallmark features like " The Living Constitution " to new features like the illustrated historical timelines, American Government: Continuity and Change provides the historical context students need to understand our government and the most crucial and controversial issues affecting the nation in the 21st century. This bestselling book has been extensively revised to provide in-depth coverage of the 2008 presidential and congressional elections, President George W. Bush ' s second administration and the 110th Congress, continued controversies related to the wars in Iraq and Afghanistan and the war on terrorism, and domestic concerns related to rising gas and food prices and the subprime mortgage crisis.

Understand American politics from past to present Essentials of American Government: Roots and Reform, 2012 Election Edition explores how the origins of American government affect the issues facing the United States today. This streamlined and flexible text offers the strongest coverage of history and current events. This approach encourages students to study present political structures and behaviors in full constitutional and historical context. The text helps students learn how our government evolved and how they can become more informed citizens. Most importantly, it encourages them to discover that politics can be--and most often is--a good thing. This text features full integration with the New MyPoliSciLab. MyPoliSciLab includes a wide array of resources to encourage students to look at American politics like a political scientist and analyze current political issues. Political Explorer lets students play the role of a political scientist by investigating issues through interactive data. Core Concept videos discuss the big ideas in each chapter and apply them to key political issues. Simulations allow students to experience how political leaders make decisions. A better teaching and learning experience This program provides a better teaching and learning experience--for you and your students. Here's how: Personalize Learning-The New MyPoliSciLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. MyPoliSciLab is now compatible with BlackBoard! Engage Students-The stunning visual design engages students in the text. Improve Critical Thinking- Learning objectives in every chapter help students focus on important topics. Analyze Current Events-Coverage of the 2012 elections keeps the study of politics relevant and shows how political scientists look at the development of the American political system. Support Instructors- A full supplements package including the Class Preparation Tool in the New MyPoliSciLab is available. If the confusion following the last presidential election is any indication, the average citizen knows precious little about the democratic system and the laws that affect their daily lives. The Everything American Government Book unravels the complexities of our democracy and provides readers with the knowledge necessary to make the right decisions and take an active role in the management of their country. From the roots of American government and the challenges that have helped shape it over the years to its current structure and systems, this thoroughly researched work is ideal for anyone brushing up on civics, as well as students of all ages. Readers learn about: The personalities and events that gave rise to our current system The real significance of the Bill of Rights and the Constitution The functions of each branch of government and how they work together Private sector's influence on public policy and decision-making Ways to get involved and make a difference Specially designed to inform and empower the average citizen during this critical election year, The Everything American Government Book provides the keys to understanding the ins and outs of the most powerful democracy in the world.
