Boris Godunov (Russian: ?????? ????????, Borís Godunóv) is an opera by Modest Mussorgsky (1839–1881). The work was composed between 1868 and 1873 in Saint Petersburg, Russia. It is Mussorgsky's only completed opera and is considered his masterpiece. Its subjects are the Russian ruler Boris Godunov, who reigned as Tsar (1598 to 1605) during the Time of Troubles, and his nemesis ...

### *Boris Godunov (opera) - Wikipedia*

Early years. Boris Godunov was the most noted member of an ancient, now extinct, Russian family of Tatar origin (), which came from the Horde to Kostroma in the early 14th century. This legend is written in the annals dating from early 17th century. He was descended from the Tatar Prince Chet, who went from the Golden Horde to Russia and founded the Ipatiev Monastery in Kostroma.

Within a Bakhtinian framework, Caryl Emerson explores these three versions of the Boris Tale, the context of their genesis, and their complex interrelationships.

Boris Godunov is an opera by Modest Mussorgsky (1839-1881). The work was composed between 1868 and 1873 in Saint Petersburg, Russia. It is Mussorgsky's only completed opera and is considered his masterpiece. Its subjects are the Russian ruler Boris Godunov, who reigned as Tsar (1598 to 1605) during the Time of Troubles, and his nemesis, the False Dmitriy (reigned 1605 to 1606). The Russian-language libretto was written by the composer, and is based on the "dramatic chronicle" Boris Godunov by Aleksandr Pushkin, and, in the Revised Version of 1872, on Nikolay Karamzin's History of the Russian State.

Caryl Emerson and Robert Oldani take a comprehensive look at the most famous Russian opera, Modest Musorgsky's Boris Godunov.

A comprehensive guide to Mussorgsky's BORIS GODUNOV, featuring Principal Characters in the opera, Brief Story Synopsis, Story Narrative with Music Highlight Examples, and an insightful and in depth Commentary and Analysis by Burton D. Fisher, noted opera author and lecturer.

This famous work has had a chequered performance history, and Professor Laurel E. Fay points out that the interpretation of the opera depends on which edition is used. Robert Oldani introduces the 'Boris problem': Pushkin's play was not an obvious choice for a young composer, since it had been banned for forty years, and it is the Russian people, rather than any single character, who is the protagonist. Alex de Jonge examines its uniquely Russian character and notes the unsettling parallels of the history of old Russia with today. Nigel Osborne's comparison of the Rimsky-Korsakov and Mussorgsky versions highlights their individual qualities. Contents: Looking into 'Boris Godunov', Robert W. Oldani; A Historical Introduction, Nicholas John; The Drama and Music of 'Boris', Laurel E. Fay; Around 'Boris Godunov', Alex de Jonge; Boris: prince or peasant?, Nigel Osborne; Boris Godunov: Russian libretto (transliterated), Modest Mussorgsky; Boris Godunov: English translation by David Lloyd-Jones

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 38. Excerpt: Boris Godunov (Russian: , original orthography, Boris Godunov) is an opera by Modest Mussorgsky (1839-1881). The work was composed between 1868 and 1873 in Saint Petersburg, Russia. It is Mussorgsky's only completed opera and is considered his masterpiece. Its subjects are the Russian ruler Boris Godunov, who reigned as Tsar (1598 to 1605) during the Time of Troubles, and his nemesis, the False Dmitriy (reigned 1605 to 1606). The Russian-language libretto was written by the composer, and is based on the "dramatic chronicle" Boris Godunov by Aleksandr Pushkin, and, in the Revised Version of 1872, on Nikolay Karamzin's History of the Russian State. Boris Godunov, among major operas, shares with Giuseppe Verdi's Don Carlos (1867) the distinction of having the most complex creative history and the greatest wealth of alternative material. The composer created two versions-the Original Version of 1869, which was rejected for production by the Imperial Theatres, and the Revised Version of 1872, which received its first performance in 1874 in Saint Petersburg. These versions constitute two distinct ideological conceptions, not two variations of a single plan. Boris Godunov has seldom been performed in either of the two forms left by the composer, frequently being subjected to cuts, recomposition, re-orchestration, transposition of scenes, conflation of the original and revised versions, or translation into another language. Several composers, chief among them Nikolay Rimsky-Korsakov and Dmitri...
