The Ever-Changing Mold of Modern Business Communication.Business Communication Today continually demonstrates the inherent connection between recent technological developments and modern business practices.

BUSINESS COMMUNICATION: IN PERSON, IN PRINT, ONLINE. 9E offers a realistic approach to communication in today's organizations. The text covers the most important business communication concepts in detail and thoroughly integrates coverage of today's social media and other communication technologies. Building on core written and oral communication skills, the ninth edition helps readers make sound medium choices and provides guidelines and examples for the many ways people communicate at work. Readers learn how to create PowerPoint decks, use instant messaging and texting effectively at work, engage customers using social media, lead web meetings and conference calls, and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

ESSENTIALS OF BUSINESS COMMUNICATION, 9TH EDITION presents a streamlined approach to business communication that includes unparalleled resources and author support for instructors and students. ESSENTIALS OF BUSINESS COMMUNICATION provides a four-in-one learning package: authoritative text, practical workbook, self-teaching grammar/mechanics handbook, and premium Web site. Especially effective for students with outdated or inadequate language skills, the Ninth Edition offers extraordinary print and digital exercises to help students build confidence as they review grammar, punctuation, and writing guidelines. Textbook chapters teach basic writing skills and then apply these skills to a variety of e-mails, memos, letters, reports, and resumes. Realistic model documents and structured writing assignments help students build lasting workplace skills. The Ninth Edition of this award-winning text features increased coverage of electronic messages and digital media, redesigned and updated model documents to introduce students to the latest business communication practices, and extensively updated exercises and activities. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

KEY BENEFIT: With its real-life examples and cases, and its lively, conversational writing style, Bovee/Thill/Mescon brings concepts to life and prepares students for obtaining and pursuing satisfying business careers. KEY TOPICS: Bovee/Thill/Mescon weaves a four-part pedagogical tool through out each chapter. It starts with Orient, which outlines what is going to be covered in the chapter and then connects these topics with a "role-model" business professional. Next is Explore, which looks at the skills that their "role-model" used in order to be successful. Third is Confirm, which revisits what they have learned in the chapter. And, finally, Apply allows students to use the skills they have learned in the chapter. MARKET: For introductory level business students.

Learn to Write Business Messages Quickly and Easily with the Three-Step Process You will learn to write business messages quickly, easily, and effectively with the exclusive Bovee/Thill/Schatzman three-step process: planning, writing, and completing business messages. When you use a process, you move toward a particular result, and this text's three-step process helps you get better results than you would get with any other business communication textbook. Students and instructors alike will appreciate how this practical, three-step strategy provides a solid foundation for solving communication problems and creating well-crafted business messages. The three-step process is fully integrated throughout the book. It is introduced and explained in detail in chapters 4-6, just before the specific types of business messages are discussed. Then the three-step process is applied to short messages (letters, memos, and e-mail) in chapters 7-9, to reports and proposals in chapters 12-14, to speeches and oral presentations in chapters 15-16, and to employment messages in chapters 17-18. \*Planning \*Analyze Study your purpose, lay out your writing schedule, and then profile your audience. your audience. \*Analyze Study your purpose, lay out your writing schedule, and then profile your audience. \*Writing \*Organize Define your main ideas, limit the scope, group your points, and choose the direct or indirect approach. \*Compose Control your style through level of formality and conversational tone. Choose your words carefully so that you can create effective sentences and paragraphs. \*Completing \*Revise Evaluate content and review readability, editing, and rewriting for clarity and conciseness. \*Produce Use effective design elements and suitable delivery methods. \*Proofread Review for errors in layout, spelling, and mechanics. This text provides dozens of superb examples of the finished product, including documents from such well-known companies as Krispy Kreme Doughnuts, Ace Hardware, Target, Office Depot, Petsmart, and Carnival Cruise Lines, to name just a few. Many documents are accompanied by a graphic describing how the three-step process is applied, and all include annotations in the margins that discuss precisely how to apply the principles presented in the text. reasons that Business Communication Today is the most successful business communication textbook published in the past 50 years.
