Cases in Leadership, Third Edition is a unique collection of 32 real-world leadership cases from Ivey Publishing plus 16 practitioner readings from the Ivey Business Journal. The updated casebook helps business students gain a better understanding of leadership and enables them to be more effective leaders through their careers. Each of the selected cases are about complex leadership issues that require the attention of the decision maker. This casebook provides an invaluable supplement to any standard leadership text by connecting theory to actual cases. However, it has been organized to work especially well in conjunction with the Sixth Edition of Peter Northouse's Leadership: Theory and Practice.

Get a more in-depth understanding of each case by viewing the Abstracts under the "Sample Materials and Chapters" tab to the left. The Ivey Casebook Series is a co-publishing partnership between SAGE Publications and the Richard Ivey School of Business at The University of Western Ontario. Due to their popularity in more than 60 countries, approximately 200 new cases are added to the Ivey School of Business library each year. Each of the casebooks comes equipped with instructor's resources on CD-ROM. These affordable collections will not only help students connect to real-world situations, but will benefit corporations seeking continued education in the field as well. Cases in Leadership is a unique collection of 30 real-world leadership cases from Ivey Publishing plus fourteen practitioner readings from the Ivey Business Journal. This casebook helps business students gain a better understanding of leadership and enables them to be more effective leaders through their careers. The selected cases are about complex leadership issues that require the attention of the decision-maker in each case. Key Features Presents real-world cases related to leadership: Cases illustrate the complex nature of leadership in organizations from around the world. Provides an entire chapter on Strategic Leadership: This chapter introduces students to a concise description of leading-edge thinking on strategic leadership. Generates classroom discussion: Cases let students grapple with actual decisions that real-world managers have faced. Offers much more than a packet of cases: The author provides summaries of concepts, helpful discussion questions, and readings for each chapter. Accompanied by High-Quality Ancillaries! Additional instructor material including cases notes, preparation questions, discussion questions, and suggested further readings are available on CD. Intended Audience This supplemental text is intended for advanced undergraduate and graduate leadership courses taught in management departments, schools of public administration, and communication departments. It is organized to work especially well in conjunction with the Fourth Edition of Peter Northouse's Leadership: Theory and Practice, (SAGE, 2007), but is suitable for use with any standard textbook on leadership.

What does a truly global manager today need to know to lead responsibly? How does he or she develop the core management competencies needed? Globally Responsible Leadership: Managing According to the UN Global Compact uses the UN Global Compact and its Ten Principles as an overarching framework for understanding the issues facing business managers today. Drawing on the knowledge of contributors from different parts of the world, the book shows readers the intersection between business and the major global issues of our time/human rights, labor, the environment, anti-corruption and bribery/and most critically, how to address these issues in the day-to-day running of their operations.

The SAGE Text and Cases Series, featuring IVEY Cases is a co-publishing partnership between SAGE Publications and the Richard Ivey School of Business at The University of Western Ontario. Due to their popularity in more than 60 countries, approximately 200 new cases are added to the Ivey School of Business library each year. These affordable collections not only help students connect to real-world situations, but benefit corporations seeking continued education in the field as well. Introduction to Nonprofit Management: Text and Cases is a unique collection of 28 cases from Ivey Publishing. This casebook helps students gain a better understanding of nonprofit management by providing them with a look at the complex issues that leaders of nonprofit organizations must tackle on a regular basis.

Cases in Leadership is a unique collection of 30 real-world leadership cases from Ivey Publishing plus fourteen practitioner readings from the Ivey Business Journal. This casebook helps business students gain a better understanding of leadership and enables them to be more effective leaders through their careers. The selected cases are about complex leadership issues that require the attention of the decision maker in each case. Key Features - Presents real-world cases related to leadership: Cases illustrate the complex nature of leadership in organizations from around the world. - Provides an entire chapter on strategic leadership: This chapter introduces students to a concise description of cutting-edge thinking on strategic leadership. - Generates classroom discussion: Cases let students grapple with actual decisions that real-world managers have faced. - Offers much more than a collection of cases: W Glenn Rowe provides summaries of concepts, helpful discussion questions, and readings for each chapter. Intended Audience This supplement text is intended for advanced undergraduate and graduate leadership courses taught in management departments, schools of public administration, and communication departments. It is organized to work especially well in conjunction with the fourth edition of Peter Northouse's Leadership: Theory and Practice (SAGE, 2007), but it is suitable for use with any standard textbook on leadership.

Featuring case studies from varied settings with strong grounding in real-world decisions, this text illustrates basic concepts while expanding students' understanding of economic, political and cultural concerns that must be interwoven into such key areas as process design, quality and supply chain management.

In recent years there has been a weight of evidence suggesting that engagement has a significantly positive impact on productivity, performance and organisational advocacy, as well as individual wellbeing, and a significantly negative impact on intent to quit and absenteeism from the work place. This comprehensive new book is unique as it brings together, for the first time, psychological and critical HRM perspectives on engagement as well as their practical application. Employee Engagement in Theory and Practice will familiarise readers with the concepts and core themes that have been explored in research and their application in a business context via a set of carefully chosen and highly relevant original and case studies, some of which are co-authored by invited practitioners. Written in an accessible manner, this book will be essential reading for scholars in the field, students studying at both undergraduate and postgraduate levels, as well as practitioners interested in finding out more about the theoretical underpinnings of engagement alongside its practical application.

This casebook is designed to develop an understanding of, and appreciation for, the various challenges, dilemmas, and constraints that decision makers face in real organizational settings. The cases are made up of actual events and include globalization, managing a diverse workforce, and leadership.

The Ivey Casebooks Series is a co-publishing partnership between SAGE Publications and the Richard Ivey School of Business, The University of Western Ontario.
