Download your Chevrolet car's owner manual – Chevrolet UK

The Epica is a front-wheel drive car, so the transverse mounting makes sense, but this configuration is assisted by an engine which Chevrolet claims is the shortest of its type in the world. 60mph arrives from standstill in 9.6 seconds and a combined economy figure of 34.5mpg isn't bad for a six-cylinder engine but the 205g/km emissions figure dates the car somewhat.

With a choice of 5-speed manual diesel, 6-speed automatic diesel, or 5-speed manual transverse straight-six petrol. Badged 'Chevrolet', yet built in South Korea. The straight six LS model will set you back a startlingly reasonable £13,595. This is for a big car 15' 9" long with a colossal 480 litre boot and bags of room in the back seat.

A guide to buying a used car or minivan features information on the strengths and weaknesses of each model, a safety summary, recalls, warranties, and service tips.

Lemon-Aid Used Cars and Trucks 20102011 shows buyers how to pick the cheapest and most reliable vehicles from the past 30 years of production. This book offers an exposé gas consumption lies, a do-it-yourself service manual, an archive of service bulletins granting free repairs, and more.

Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. U.S. automakers are suddenly awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what should a savvy buyer do? The all-new Lemon-Aid Used Cars and Trucks 2012-2013 has the answers, including: More vehicles rated, with some redesigned models that don't perform as well as previous iterations downrated. More roof crash-worthiness ratings along with an expanded cross-border shopping guide. A revised summary of safety- and performance-related defects that are likely to affect rated models. More helpful websites listed in the appendix as well as an updated list of the best and worst "beaters" on the market. More "secret" warranties taken from automaker internal service bulletins and memos than ever.

Singapore's best homegrown car magazine, with an editorial dream team driving it. We fuel the need for speed!
