Sunday School Lessons - Children's Ministry

Leadership matters in your ministry. In fact, your ministry will only rise to the level that you and your leadership team can take it. Think about that statement for a moment. It has possible implications for both expanding your ministry beyond its current state, but also for limiting your ministry to little more than it is now.

5 Essential Qualities You Want in Every Member of Your ...

Children's leaders and teachers need to understand children and how they grow their faith. They need to know how to organize programs, teach children, nurture them and meet their needs. Therefore, the Children's Ministries Leadership Certification program can be used for such leadership training on a regular basis.

Thank you, INCM, for cheering the children's ministry community on as we minister to kids!" Kim Hudson North Carolina "INCM has connected me to other ministry leaders, resources, and coaching that have exponentially increased my ministry effectiveness, as well as my ability to joyfully persevere through ministry hardships.

INCM - International Network of Children's Ministry

Read leadership books. One of the best ways to learn to think like a leader is to read books written by leaders. There are many good leadership books written from a Christian perspective, but don't limit yourself to those. There are fantastic leadership books that you can learn so much from, even if they are not written from a biblical worldview.

5 Leadership Lessons from the Bible: Nehemiah - Kids Ministry

Leadership: it can be a hard place to be. It's not necessarily going to always be a popular place and you're frequently called to balance the good of the many and the ministry against the good of the few, while not forgetting that you're working with individual people who have feelings, issues, goals and sometimes even agendas.
