USCIS Civics flash cards: These Civics flash card will help immigrants learn about US history and government while preparing for naturalization test. These flash cards can also be used in the classroom as an instruction tool for citizenship preparation. Important note: on the naturalization test, some answers may change because of elections or appointments. Applicants must be aware of the most current answers to these questions. Applicants must answer these questions with the name of the official who is serving at the time of his or her eligibility interview with the USCIS. The USCIS officer will not accept and incorrect answer.

See America with 50 of Our Finest, Funniest, and Foremost Writers Anthony Bourdain chases the fumigation truck in Bergen County, New Jersey Dave Eggers tells it straight: Illinois is Number 1 Louise Erdrich loses her bikini top in North Dakota Jonathan Franzen gets waylaid by New York's publicist...and personal attorney...and historian...and geologist John Hodgman explains why there is no such thing as a "Massachusettsian" Edward P. Jones makes the case: D.C. should be a state! Jhumpa Lahiri declares her reckless love for the Rhode Island coast Rick Moody explores the dark heart of Connecticut's Merritt Parkway, exit by exit Ann Patchett makes a pilgrimage to the Civil War site at Shiloh, Tennessee William T. Vollmann visits a San Francisco S&M club and Many More!

"The objective of this report is to identify and establish a roadmap on how to do that, and lay the groundwork for transforming how this Nation- from every level of government to the private sector to individual citizens and communities - pursues a real and lasting vision of preparedness. To get there will require significant change to the status quo, to include adjustments to policy, structure, and mindset"--P. 2.

American Government: In the United States, the government gets its power to govern from the people. We have a government of the people, by the people, and for the people. Citizens in the United States shape their government and its policies, so they must learn about important public issues and get involved in their communities. Learning about American government helps you understand your rights and responsibilities and allows you to fully participate in the American political process. The Founders of this country decided that the United States should be a representative democracy. They wanted a nation ruled by laws, not by men. In a representative democracy, the people choose officials to make laws and represent their views and concerns in government. This book will help you understand the principles of American democracy, the U.S. system of government, and the important rights and responsibilities of U.S. citizenship.

Ever since he was little, Jake Green has longed to be a soldier and a hero like his grandpa, who died serving his country. Right now, though, he just wants to outsmart—and outrun—the rival cross country team, the Palmetto Bugs. But then the tragedy of September 11 happens. It's quickly discovered that one of the hijackers lived nearby, making Jake's Florida town an FBI hot spot. Two days later, the tragedy becomes even more personal when Jake's best friend, Sam Madina, is pummeled for being an Arab Muslim by their bully classmate, Bobby. According to Jake's personal code of conduct, anyone who beats up your best friend is due for a butt kicking, and so Jake goes after Bobby. But soon after, Sam's father is detained by the FBI and Jake's mom doubts the innocence of Sam's family, forcing Jake to choose between his best friend and his parents. When Jake finds out that Sam's been keeping secrets, too, he doesn't know who his allies are anymore. But the final blow comes when his grandpa's real past is revealed to Jake. Suddenly, everything he ever knew to be true feels like one big lie. In the end, he must decide: either walk away from Sam and the revenge that Bobby has planned, or become the hero he's always aspired to be. A gripping and intensely touching debut middle grade novel by Kerry O'Malley Cerra, *Just a Drop of Water* brings the events of September 11, which shook the world, into the lens of a young boy who is desperately trying to understand the ramifications of this life-altering event. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The Merry Adventures of Robin Hood of Great Renown in Nottinghamshire is an 1883 novel by the American illustrator and writer Howard Pyle. Consisting of a series of episodes in the story of the English outlaw Robin Hood and his band of Merry Men, the novel compiles traditional material into a coherent narrative in a colorful, invented "old English" idiom that preserves some flavor of the ballads, and adapts it for children. The novel is notable for taking the subject of Robin Hood, which had been increasingly popular through the 19th century, in a new direction that influenced later writers, artists, and filmmakers through the next century.
