~~Confessions of a Male Nurse (The Confessions Series~~
Confessions of a Male Nurse is a volume that may hold particular interest to those interested in comparisons between the NHS and other healthcare systems. The protagonist is trained in New Zealand, and spends much of the book practising there, but also spends some years in t Confessions of a Male Nurse is a sequel of sorts to the successful Confessions of a GP, by Benjamin Daniels.

~~Confessions of a Male Nurse by Michael Alexander~~
I read Confessions of a Male Nurse hot off the heels of reading Confessions of a GP and yeah, maybe I should have left it a bit longer than ten hours. It's a little bit unfair of a comparison because despite one being about a doctor and the other about a male nurse, there's still a whole lot fo medical stories involved and this one wasn't quite as good.

~~Confessions of a Male Nurse (The Confessions Series) eBook~~
"Confessions of a Male Nurse" tells the uncensored story of a gay man who wants to make a difference with his life by helping those in need. From his tortuous schooling through being on staff at a hospital, this tale takes you on his adventures from the Paediatric Ward to the Psych Ward to the Intensive Care Unit, and the screwball staff and friends he meets.

Confessions of a Male Nurse is a roller-coaster ride through the on- and off-duty life of a gay male nurse in the early 1980s. This hilarious, often touching, dark comic novel will take you on a wild ride with our irreverent hero with some of the wackiest adventures to the horrifying beginning of the AIDS crisis. ...more.

~~Confessions of a Male Nurse by Richard S. Ferri~~
A young man decides to be a nurse at age 17. His parents were both compassionate people and their experiences led him to train as a nurse. At the time of his entrance into the field, male nurses were a novelty. His first assignment was to a gynecological floor, where his presence caused quite a stir among the patients and staff.

From the people who brought you the bestselling Confessions of a GP.

A dark comic novel about life, love, pain, nursing, and being gay, this book takes you on a rollercoaster ride through the on-and-off duty life of a gay male nurse in the early 1980s before AIDS became omnipresent. It tells how he wants to make a difference with his life by helping those in need.

From the people who brought you the bestselling Confessions of a GP.

N is for Nurse by best selling nurse-author Jon Haws RN CCRN is a full-color ABC book for grown-up nurses, with a powerful message about what is means to "be a nurse." N is for Nurse looks and feels like a classic picture book. But it's not for kids, it's for nurses and nursing students who are proud of being RN. Nursing is more than a job. Nursing is who we are. Every fiber, every muscle, every beat of our hearts. One big happy nursing family. Healing patients happily. It's something we feel deep within. Proud to be RN. N is for Nurse is an illustrated book for nurses in the style of traditional children books. Author Jon Haws RN, takes the reader on an emotional journey through the alphabet from A-to-Z with engaging story telling and beautiful illustrations instilling pride in what it means to "Be a Nurse." It highlights twenty-six core values of nursing. N is for Nurse makes the perfect gift or coffee table nursing picture book for any nurse of any age. Not only will this book motivate and inspire you, it will help your friends and loved ones FINALLY "get" what it means to you to be a nurse. Perfect graduation gift for nurses, nurses week gift, retirement gift, children book for future nurses, first year nurse book, nursing student gift or addition to gift basket for male or female nurses.

Revised edition of the best-selling memoir that has been read by over a million people worldwide with translations in 29 languages. After too many years of unfulfilling work, Bronnie Ware began searching for a job with heart. Despite having no formal qualifications or previous experience in the field, she found herself working in palliative care. During the time she spent tending to those who were dying, Bronnie's life was transformed. Later, she wrote an Internet blog post, outlining the most common regrets that the people she had cared for had expressed. The post gained so much momentum that it was viewed by more than three million readers worldwide in its first year. At the request of many, Bronnie subsequently wrote a book, The Top Five Regrets of the Dying, to share her story. Bronnie has had a colourful and diverse life. By applying the lessons of those nearing their death to her own life, she developed an understanding that it is possible for everyone, if we make the right choices, to die with peace of mind. In this revised edition of the best-selling memoir that has been read by over a million people worldwide, with translations in 29 languages, Bronnie expresses how significant these regrets are and how we can positively address these issues while we still have the time. The Top Five Regrets of the Dying gives hope for a better world. It is a courageous, life-changing book that will leave you feeling more compassionate and inspired to live the life you are truly here to live.

Falling into the nursing profession, Kristy Chambers spent almost a decade working with a wide range of people, ranging from drug addicts to cancer patients. Dark, humorous, honest, and compassionate, this memoir illustrates the incredible work nurses do and the many challenges they face. A tribute to the wonderfully brave people Chambers met during her career, this book portrays both joyous and difficult experiences.

Driving a cab for more than 30 years Gene Salomon has collected a remarkable selection of stories. He shares the very best in this unforgettable memoir.

Curious about the world of obstetrics and gynecology? Want to know why a future doctor would want to specialize in gynecology? Or perhaps you'd just like a peek behind the curtain, so to speak -- and to hear some OBGYN secrets. If you're intrigued by any of these topics, or just want to know about women's health from an OBGYN who tells it like it is, this book is for you. "Confessions of a Male Gynecologist" reveals not only what your gynecologist is thinking when your feet are in the stirrups, but provides women with some frank advice. Dr. Bellanger provides readers with an education, gets on his high horse, and shares

some unbelievable (and in many cases), "laugh-out-loud" stories. Here's what readers have to say ... "... full of insights you had no idea you wanted to know." "... informational, educational, and at times downright hysterical" "... answers all the questions you've ever had about your gynecologist" "... an entertaining experience." "... an insightful look into the complexity and realities of not only women's health, but the state of our health care system today."

I follow only one rule: go to where the pain is. I've been a male nurse for 5 years and want to share my adventures. I've also asked the following questions as guideposts: What do men really need to know about nursing? What can I share to add value to people considering nursing as a career? What would I have wanted to know when I was 18 years old? How could I express what people need to know, not what they want to know? I quit nursing, only to come back again. Here are some stories and lessons along the way. All the best, Walt Cummings

First published in 1973, this is an essential work on the corruption of the medical establishment and its historic roots in witch hunts. In this new edition, Barbara Ehrenreich and Deirdre English have written an entirely new chapter that delves into the current fascination with and controversies about witches, exposing fears and fantasies. They build on their classic exposé of the demonisation of women healers and the political and economic monopolisation of medicine, bringing it up to date with today's changing attitudes to these issues.
