Chronicling the amazing rise of this genre from its gospel roots to today's diverse musical sound, this guide offers a complete capsule encyclopedia of Contemporary Christian artists as well as an introduction to the music form. 40 illustrations.

Sinner ' s Creed is the uncensored memoir of Scott Stapp, Grammy Award–winning leader of the multiplatinum rock band CREED. During CREED ' s decade of dominance and in the years following the band ' s breakup, Scott struggled with drugs and alcohol, which led not only to a divorce, but also to a much-publicized suicide attempt in 2006. Now clean, sober, and in the midst of a highly successful solo career, Scott has finally come full circle—a turnaround he credits to his renewed faith in God. In Sinner's Creed, Scott shares his story for the first time—from his fundamentalist upbringing, the rise and fall of CREED, and his ongoing battle with addiction, the rediscovery of his faith, and the launch of his solo career. The result is a gripping memoir that is proof positive that God is always present in our lives, despite the colossal mess we sometimes make of them.

them as we want to be loved and be faithful to that responsibility. We must make sure that they and their children are safe, protected, and given the chance to live in peace and love. Abusers are also humans who are in the image of God, and they need to be taught how to live and respect all others. They must be confronted and challenged to change or face prosecution by our legal system and our spiritual communities. I believe that the faith community is in a great position to address this problem. We have a God who grieves over the violence that occurs in families. Yet we have a God who grieves even more over the fact that spiritual leaders have failed to act as servants of Yahweh in this respect. The rest of this book is an appeal to you to gain an understanding of what it really means to face domestic violence and how to help bring peace and wholeness to victims and their children caught in the web of abuse. It is an appeal to you to confront those who abuse others rather than shut your eyesÓ --from the Introduction
