your dental questions .

The definition of dental is anything relating to the teeth, and when it's pain

you are talking about, it ' s not a good sign.

And dental pain never happens conveniently during business hours.

When something isn ' t right in your mouth, you need your dental questions answered right away.

Questions

Common Dental
Questions | United
Concordia

The answer depends on the state of your teeth and gums. In general, most people (adults and children) should go to the dentist at least once a year and possibly every six months for a cleaning and to get checked for cavities.
