Historic Preservation | U.S. Department of the Interior

The Standards offer four distinct approaches to the treatment of historic properties—preservation, rehabilitation, restoration, and reconstruction—with accompanying Guidelines for each. One set of standards will apply to a property undergoing treatment, depending upon the property's significance, existing physical condition, the extent of documentation available and interpretive goals, when applicable.

So, let's start with the facts. On Tuesday, Interior Secretary David Bernhardt tweeted a video touting the Trump administration's "historic feats for conservation." The same video was also posted on the department's Instagram page. Feel free to take a gander, I'll wait:

Interior Department Trump Propaganda Video May Have Broken Law

In contrast, state law in Tennessee requires that property owners within historic districts follow a strict set of guidelines, from the U.S. Department of Interior, when altering their properties. Though, according to the National Historic Preservation Act of 1966, all states must have a State Historic Preservation Office, not all states must have a "state historic district" designation.
