"Mother. Of. All. Angst. This book is not for the faint of heart. It is rip-your-hair-out frustrating and full of depth and emotion." - Lana, DG Romance.From #1 Amazon Bestseller L.J. Shen comes a new, angsty standalone new adult novel about first love, second chances, and overcoming breathtaking losses at a young age.Vaughn Spencer. They call him an angry god. To me, he is nothing but a heartless prince. His parents rule this town, its police, every citizen and boutique on Main Street. All I own is a nice, juicy grudge against him for that time he almost killed me. Between hooking up with a different girl every weekend, breaking hearts, noses and rules, Vaughn also finds the time to bully little ole' me. I fight back, tooth and nail, never expecting him to chase me across the ocean after we graduate high school. But here he is, living with me in a dark, looming castle on the outskirts of London. A fellow intern. A prodigal sculptor. A bloody genius. They say this place is haunted, and it is. Carlisle Castle hides two of our most awful secrets. Vaughn thinks he can kill the ghosts of his past, but what he doesn't know? It's my heart he's slaying.

Instead of rejecting her lover upon learning his secret, she accepts him with open arms. Soon, the couple is expecting their first child, and a cozy picture of family life unfolds. But after what seems like a mere moment of bliss to Hana, the father of her children is tragically taken from her. Life as a single mother is hard in any situation, but when your children walk a fine line between man and beast, the rules of parenting all but go out the window. With no one to turn to, how will Hana survive?

Though the Doneiks' Rebellion has been put down, the political situation in Rolmund is more tumultuous than ever. While Ashley is crowned the new emperor, his hold on the country is tenuous at best, and the war for succession could hardly be considered over. With Veight busy running around the capital to shore up support for Eleora, the new emperor's older sister, Dillier, makes a shocking proclamation. She has married the current head of the Bolshevik family, Shallier. The same Shallier who betrayed the Doneiks and surrendered to Eleora at the start of the civil war. In this rapidly shifting political landscape, will Veight be able to safely guide Eleora to the throne?

"Iba, a bright-spirited young historical scholar, disappears while on a lone expedition to study the ancient Silk Road ... A year later, his girlfriend Kyoko discovers that Iba is not only alive but is a warrior-slave under the reign of Genghis Khan in 13th century Mongokia"--P. [4] of cover.

"Ten days after the war ended, my sister Laura drove a car off a bridge." These words are spoken by Iris Chase Griffen, married at eighteen to a wealthy industrialist but now poor and eighty-two. Iris recalls her far from exemplary life, and the events leading up to her sister's death, gradually revealing the carefully guarded Chase family secrets. Among these is "The Blind Assassin," a novel that earned the dead Laura Chase not only notoriety but also a devoted cult following. Sexually explicit for its time, it was a pulp fantasy improvised by two unnamed lovers who meet secretly in rented rooms and seedy cafés. As this novel-within-a-novel twists and turns through love and jealousy, self-sacrifice and betrayal, so does the real narrative, as both move closer to war and catastrophe. Margaret Atwood's Booker Prize-winning sensation combines elements of gothic drama, romantic suspense, and science fiction fantasy in a spellbinding tale.

"Mikura Amelia is a free-spirited young woman who lives alone with her cat and operates an air-delivery service to Japan's small island communities thousands of miles out in the Pacific. When her grandfather dies, she finds he left her a package addressed to an island that doesn't exist"--

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt
