Don't try to do it all. Do more good. Better. I am no productivity guru. I am a writer, a church leader, a husband, and a father with many responsibilities and with new tasks coming at me all the time. I wrote this short, fast-paced, practical guide to productivity to share what I have learned about getting things done in today's digital world.

Do More Better: A Practical Guide to Productivity ...

If a practical person has anything, it is a very well grounded sense of reality. They easily capture the essentials of a situation or a person. On that basis, they define how they fit into their plans and act, they do not stay lost in details. More than just looking at how things could be, they look at how they really are.
