IT'S ALL A GAME . . . UNTIL YOU DIE. A brutal killing spree at a home for wayward teens. One girl is dead, another is missing. The police scramble to track her down before the death toll mounts. But as Joona Linna digs deeper into the case, he finds himself on a collision course with a terrifying killer whose past is more troubling than anyone could imagine.

Tumba, Sweden. A triple homicide, all of the victims from the same family, captivates Detective Inspector Joona Linna, who demands to investigate the grisly murders -- against the wishes of the national police. The killer is at large, and it appears that the elder sister of the family escaped the carnage; it seems only a matter of time until she, too, is murdered. But where can Linna begin? The only surviving witness is an intended victim -- the boy whose mother, father, and little sister were killed before his eyes. Whoever committed the crimes intended for this boy to die: he has suffered more than one hundred knife wounds and Lapsed into a state of shock. He's in no condition to be questioned. Desperate for information, Linna sees one mode of recourse: hypnotism. He enlists Dr. Erik Maria Bark to mesmerize the boy, hoping to discover the killer through his eyes. It's the sort of work that Bark had sworn he would never do again--ethically dubious and psychically scarring. When he breaks his

promise and hypnotizes the victim, a long and terrifying chain of events begins to unfurl.

When a medium contacts the police department with claims about a murder at a rural home for wayward girls, detective Joona Linna investigates bizarre clues only to find himself confronting more violent truths and a figure from his past. By the best-selling authors of *The Hypnotist*. 75,000 first printing.

Psychologically tense and as fast-paced as *The Hypnotist*, the third book in the Joona Linna series by Lars Kepler is already a worldwide sensation, appealing to fans of Stieg Larsson and Jo Nesbo. Detective Inspector Joona Linna, under internal review by the National Police for an alleged infraction, is on leave to solve some troubling personal business when he is called in to "observe" the investigation of a gruesome and strange murder at Birgittagården, a youth home for wayward teenage girls. But it's not long before Linna is drawn deeply into the intricate, disturbing case. Intriguing, astonishing, and with all of the suspense that first captured audiences in *The Hypnotist*, *The Fire Witness* is Lars Kepler at his most psychologically complex and thrilling.

Chilling, psychologically dark, and complexly plotted, Lars Kepler's brilliant and addictive thrillers feature the troubled and intriguing Detective Inspector Joona Linna, someone who goes against the grain of conventional police procedure and thinks outside the box. This series has literally taken the world by storm, each book becoming a runaway bestseller internationally. In *The Hypnotist*, a triple homicide, all of the victims from the same family, captivates Joona Linna, who demands to investigate the grisly case -- against the wishes of the national police. He enlists Dr. Erik Maria Bark to mesmerize a young witness to the crime, hoping to discover the killer through his eyes. When Bark breaks his promise never to do this kind of work again and hypnotizes the victim, a terrifying chain of events unfurls. In *The Nightmare*, we follow Joona Linna's investigation of two seemingly unrelated crimes -- a young woman murdered on a pleasure boat in the archipelago and a man found hanging in his state apartment in Stockholm the next day -- but as Linna begins to piece together the mysteries, the logistics become a mere prelude to a dizzying and dangerous course of events. And, in *The Fire Witness*, we find Joona Linna under internal review by the National Police for an alleged infraction and on leave to solve some troubling personal business. WAKE UP TO TRUE EVIL The third gripping thriller in Lars Kepler's bestselling series featuring Joona Linna. Perfect for fans of Stieg Larsson and Jo Nesbo.

Lars Kepler returns with a piercing, bestselling sequel to *The Hypnotist*. After spellbinding audiences in *The Hypnotist*, Detective Inspector Joona Linna is back in *The Nightmare*, an internationally bestselling Swedish thriller published to critical acclaim in dozens of countries. As the Swedish newspaper *Arbetarbladet* put it, "The reader is ready to sell his own soul for the opportunity to read this book without interruption, in one sitting." On a summer night, police recover the body of a young woman from an abandoned pleasure boat drifting around the Stockholm archipelago. Her lungs are filled with brackish water, and the forensics team is sure that she drowned. Why, then, is the pleasure boat still afloat, and why are there no traces of water on her clothes or body? The next day, a man turns up dead in his state apartment in Stockholm, hanging from a lamp hook. All signs point to suicide, but the room has a high ceiling, and there's not a single piece of furniture around—nothing to climb on. Joona Linna

begins to piece together the two mysteries, but the logistics are a mere prelude to a dizzying and dangerous course of events. At its core, the most frightening aspect of *The Nightmare* isn't its gruesome crimes—it's the dark psychology of its characters, who show us how blind we are to our own motives.

The first three gripping thrillers in Lars Kepler's bestselling series featuring Joona Linna. Perfect for fans of Stieg Larsson and Jo Nesbo.

INTERNATIONAL BEST SELLER • “A nonstop roller coaster of suspense, taking us deep into the hearts and minds of perfectly realized characters. And, oh, what a villain! ... The definition of a one-sitting read!” —Jeffery Deaver, New York Times best-selling author of *The Goodbye Man* Sometimes the past won't stay buried. All across Europe, the most ruthless criminals are suffering gruesome deaths. At first, it seems coincidental that their underworld affiliations are finally catching up to them. But when two of the victims are found to have disturbing connections to Detective Joona Linna, it becomes clear that there's a single killer at work. Still, police are reluctant to launch an investigation. If a mysterious vigilante is making their jobs easier, why stand in his way? Joona, however, is convinced this is no would-be hero. These deaths serve a much darker purpose.

Desperate for help, Joona turns to Saga Bauer. If his hunch is correct, she's one of the few people who stands a chance at bringing this criminal mastermind down. But Saga is fighting her own demons—and the killer knows just how to use them to his advantage. He continues to strike with impunity, and no one, it seems, is safe. When the killer begins targeting those closest to Saga and Joona, it appears more and more likely that Joona has been right all along, and that tracking down the person responsible will force him to confront a ghost from his past ... the most terrifying villain he's ever had to face.
