Acces PDF Evangelical Theology Karl Barth

Karl Barth (pronounced "bart") was a Swiss Reformed theologian whom critics hold to be among the most important Christian thinkers of the 20th century; Pope Pius XII described him as the most important theologian since Thomas Aquinas. Beginning with his experience as a pastor, he rejected his training in the predominant liberal theology typical of 19th-century Protestantism, especially German.

Acces PDF Evangelical Theology Karl Barth

"Karl Barth for me is the theologian of the twentieth century. He gathered up, rethought, repreached, and reprayed the entire Christian tradition. I would not want to be without even a page of his multivolume Church Dogmatics, but this slim, spare book holds a special place in my reading. Its 'energetic brevity' keeps the nature and necessity of theology forcefully focused in my life."

Evangelical Theology - Karl Barth : Eerdmans
Karl Barth, twentieth-century church father of evangelical Protestantism, contributed to the renewal and reform of Christian theology (semper reformandum) by refreshing and deepening its foundations in the revelation of God in Christ. It is important to be clear about both of these dimensions: renewal and reform; the former which reinvigorates and the latter which corrects and extends.

Karl Barth and the Future of Evangelical Theology on JSTOR

Karl Barth (1886-1968) has been called the most important Protestant theologian since Schleiermacher. A lifetime of work produced a huge and complex body of writings that emerged from both his theological teaching and from his engagement in church life.

This is a series of Karl Barth's lectures on Evangelical Theology for students, and interested laymen, aspiring to learn more about theology. He candidly discusses the potential problems, and pitfalls, that the sincere "little theologian" is likely to face on the journey.

Centered on the God of the gospel, Barth's theology stresses continuity and unity, and examines the concepts of existence, faith, and reason

"This collection of Barth's lectures, delivered in 1962 in the USA, is here supplemented by twelve chapters to comprise a vital introductory presentation of evangelical theology."--

#####

Over the past twenty years, renewed interest in Karl Barth has made him a major voice in contemporary systematic theological circles once again. This work explores the substantial convergences and divergences between Barth's theology and the historic

evangelical faith. It will appeal to evangelical readers interested in reassessing the influence and impact of Barth's theology. Contributors include Kevin J. Vanhoozer, Alister E. McGrath, Timothy George, Gabriel Fackre, Stanley Grenz, and Henri Blocher.

Swiss theologian Karl Barth traveled to the United States only once during his long career. In 1962, newly retired, he came to visit family and to deliver a series of lectures subsequently published (by Eerdmans) as *Evangelical Theology: An Introduction*, which remains in print and widely read to this day. Besides recounting some delightful and poignant biographical details about Barth's two-month journey through the States, the authors of this book revisit central themes in Barth's mature theology and explore the theological and ethical significance of his *Evangelical Theology*. Even more, the distinguished scholars contributing to this volume assess contemporary North American theology and show how Barth's *Evangelical Theology* remains as bracing, powerful, and relevant today as it was fifty years ago. Contributors: David W. Congdon Jessica DeCou Hans-Anton Drewes Kevin W. Hector George Hunsinger Cambria Janae Kaltwasser Gerald McKenny Daniel L. Migliore Adam Neder Peter J. Paris Katherine Sonderegger

Karl Barth has long been an object of both suspicion and curiosity for evangelical

Christians. Those who do want to know more about Barth often find themselves daunted by the sheer volume of his massive output, unsure of where to start or how to engage with the famously prolific theologian. "We flip through the nearly 9,000 pages of the Church Dogmatics," says author Mark Galli, "read a passage or two of his dense prose, and run for our theological lives." In this reader-friendly introduction to Karl Barth, Galli takes readers on a whirlwind tour of the life and writings of this giant of twentieth-century theology, paying special attention to themes and topics of concern for contemporary evangelicals, who may need Barth's acute critique as much as early-twentieth-century liberals did--and for surprisingly similar reasons. "To be sure, Barth has his share of personal and theological flaws," admits Galli. Even so, he contends, "because his theology is so grounded in Scripture, Barth is able as few can to remind us of the height, breadth, and depth of God's love in Jesus Christ."

Papers presented at a conference held June 22-24, 2007 in Princeton, N.J.

The theology of Karl Barth has often been a productive dialogue partner for evangelical theology, but for too long the dialogue has been dominated by questions of orthodoxy. Karl Barth and the Future of Evangelical Theology contributes to the conversation

Acces PDF Evangelical Theology Karl Barth

through a creative reconfiguration of both partners in the conversation, neither of whom can be rightly understood as preservers of Protestant orthodoxy. Rather, American evangelicalism is identified with the revivalist forms of Protestantism that arose in the post-Reformation era, while Barth is revisited as a theologian attuned both to divine and human agency. In the ensuing conversation, questions of orthodoxy are not eliminated but subordinated to a concern for the life of God and God's people. By offering an alternative to the dominant constraints, this book opens up new avenues for fruitful conversation on Barth and the future of evangelical theology.

A major study of the theology of Karl Barth.

The thought of Karl Barth (1886–1968) has undergone a remarkable renewal of interest in the past twenty years. Joseph Mangina's *Karl Barth: Theologian of Christian Witness* offers a concise, accessible guide to this important Christian thinker. Uniquely among introductions to Barth, it also highlights his significance for Christian ecumenism. The first chapter describes Barth's extraordinary life, from his youthful break with liberalism during the First World War, to his mature theology in the *Church Dogmatics*. Subsequent chapters offer a detailed reading of this magisterial work, and place Barth in dialogue with five contemporary thinkers: George

Acces PDF Evangelical Theology Karl Barth

Lindbeck on revelation, Michael Wyschogrod on election, Stanley Hauerwas on creation, Robert Jenson on reconciliation, and Henri de Lubac on the church. These ecumenical conversations not only set Barth's thinking in greater relief, but serve to demonstrate its continuing theological fruitfulness. The book concludes by examining Barth's wider significance for the church in our time.
