Discusses extraordinary dreams and offers suggestions for interpreting and appreciating your own extraordinary dreams. From visions of a past life to glimpses of the future, history is full of accounts of unusual dreams. This fascinating book explores historical, scientific, and cross-cultural research on these sorts of extraordinary dreams, and offers practical suggestions on how to work with them—either individually or as a member of a dream group—to enhance one’s intellectual, emotional, and spiritual health. Each chapter is devoted to a particular type of dream, and presents a summary of research data on their nature. Specific categories of dreams discussed include creative, lucid, out-of-body, pregnancy, healing, collective, telepathic, clairvoyant, precognitive, past-life, initiation, and spiritual visitation dreams, as well as dreams within dreams. Entertaining and instructive, this book points the way to an expanded conception of human potential for the twenty first century. Stanley Krippner is Professor of Psychology at Saybrook Graduate School. He is the author of many books including, with David Feinstein, *The Mythic*

Discusses extraordinary dreams and offers suggestions for interpreting and appreciating your own extraordinary dreams.

Some see dreams as communications with another reality and others see them as insignificant random phenomena. Dreams range from the mundane of day-to-day events to the extraordinary, including visions, lucid dreaming, out of body experiences, interactions with the deceased, precognition, sleep paralysis and vivid hallucinations during transitions between sleep and wakefulness. Drawing on individuals' reports, this book explores the phenomena and the significance of extraordinary dreams.

A holistic approach to the fascinating, multifaceted world of dreams.

Stop Living a Life of Regret. Start Living Your True Purpose! It's never too late to live the life we were born to live.

Unfortunately, the ins and outs of day-to-day life wear on us, making us believe that it is too late to realize our dreams, or that they are somehow out of reach. All too often, we overcomplicate the process of finding our true purpose. In truth, all that is required is knowing what we want, planning for what we want, and strategically taking actionable steps to reach our goals. Jamar Hébert is an entrepreneur and Founder/CEO of J. Hébert Companies, LLC. He has designed a comprehensive roadmap for discovering and pursuing your purpose by creating easy-to-follow exercises to help you: Identify your interests, passions, talents and skills. Identify your dream. Recognize the resources you already possess. Find mentors. Develop an action plan and timeline for your goals and objectives. Eliminate time wasters and bad habits. Realize that you and your dreams are worthy. If you can Dream It, you can Plan It. Start today. Let's Do It!

"This book isn't about having it all; it's about having what matters most to you. It is about how to find your extraordinary career, your extraordinary happiness, your extraordinary life."--Provided by publisher.
