Fighting Back the Right: Reclaiming America from the Attack on Reason by David Niose. "Fighting Back the Right" is a compelling plea for secularists to take the lead in taking back America. This is a beautifully lucid narrative that emphasizes rational and human-centered policies in order to take back America.

Fighting Back the Right: Reclaiming America from the ...

Since progressive policy should be synonymous with human-centered policy, the fight against the Right can accurately be described as an effort by real people to take back the system from institutional, nonhuman interests; and since the Right consistently relies on antireason (in its various forms) for staying power, any strategy to reverse course must actively promote reason. Of course, the common subcategories and subissues of progressivism-women's rights, social justice ...
