Film Art first appeared in 1979 and is currently in its eleventh edition, published by McGraw-Hill. For more on our purposes in writing it, go here on this site. Film analyses from earlier editions of Film Art. As Film Art went through various editions, we developed analyses of various films that might be used in an introductory course. But as space grew tight or certain films dropped out of circulation, we cut those analyses and replaced them with others.

excerpt from Film Art: An Introduction, 10th edition, McGraw-Hill (2012): 298-306. In London around 1900, two magicians are locked in desperate competition, each searching for ever more baffling illusions. As they deceive each other and their audiences, the film about them tries to deceive us as well.
