walks away, telling Casimir
he's done. Casimir refuses
to believe that Sutton could

just leave him like that and thinks Sut only needs a few days to cool off. However when reality sets in Casimir realizes he has made a terrible mistake, when Sutton refuses to talk to him or even look in his

direction. When Sutton goes out on a rescue call to a local mine there is a cave in which leaves Sutton trapped with four other men in desperate need of medical attention. Casimir practically goes insane

losing Sutton for good hits
Casimir, he promises not
only to himself but to his
mate, that he will do
whatever he has to do to
make things up to Sutton and
