laboratory studies that have been used to test those theories and inspire their further development.

~~Foundations of Human Memory
by Michael Jacob Kahana~~

Surveys literature on human

File Type PDF Foundations Of Human Memory

memory and learning. Focuses on the organization of memory at cognitive and neural levels, the basis of remembering and forgetting, and false memories.

Cognitive theory and behavioral evidence are

File Type PDF Foundations Of Human Memory

integrated with data from
neuro-psychology and
neuroimaging.
