Inspired by Psalms 5:3, When I Rise I Worship is a prayer and worship devotional and journal. It is designed to assist those who have struggled to develop and maintain a daily devotional life. Whether this struggle is due to lack of time, limited time, mismanagement of time, or just not knowing how to get started, this devotional is just the tool you need. Its format is user-friendly and time-conscious while still providing daily relatable exhortations and applicable nuggets from the Word of God. It eliminates the need for multiple books by providing journal pages to jot down your notes and prayers. To keep you connected as you wind down for the weekend there are 4 short and targeted times of scriptural study and reflection called "Weekend Worship and Study".

With their national bestseller The Go-Giver, Bob Burg and John David Mann took the business world by storm, showing that giving is the most fulfilling and effective path to success. That simple, profound story has inspired hundreds of thousands of readers around the world-but some have wondered how its lessons stand up to the tough challenges of everyday real-world business. Now Burg and Mann answer that question in Go-Givers Sell More, a practical guide that makes giving the cornerstone of a powerful and effective approach to selling. Most of us think of sales as convincing potential customers to do something they don't really want to. This mentality sets up an adversarial relationship and makes the sales process much harder than it has to be. As Burg and Mann demonstrate, it's far more productive (and satisfying) when salespeople think like Go-Givers. Cultivate a trusting relationship and focus exclusively on creating value for the other person, say the authors, and great results will follow automatically. Drawing on a wide range of examples of real-life salespeople who have prospered by giving more, Burg and Mann offer tips and strategies that anyone in sales can start applying right away.
