French Film The Literature Of Cinema Series Ii [PDF, EPUB ...

“ La Règle du jeu ” (Rules of the game) was one of the last French films made before World War II. It depicts a world of privileged individuals whittling their time away while the world crumbles around them. “ La Règle du jeu ” is the crowning achievement of Jean Renoir, son

of painter Auguste Renoir. This movie exposes you to spoken French from the '30s. If you can, I recommend reading some older French literature before watching; it'll help your vocab comprehension.

Film Adaptations of French Literature (FRE4492.01) Since the very beginnings of cinema, French literature and film have reciprocally inspired one another. From the Surrealists to the New French Extremity movement, many directors have brought French literary works onto the screen. This course will offer students the opportunity to analyze literature and their film adaptations in terms of intermediality and intertextuality.

Film Adaptations of French Literature | Bennington College ...

From different corners of high and low literature, this interest in the dark corners of French society proved highly successful (extending also to popular song) and provides part of the cultural background that eventually led to French film noir. But the migration of these motifs to French cinema only came about through developments in photography and cinematography that converged in the French ...
