REVOLUTION IN ...

In 1973, Billie Jean King was the right feminist in the right sport at the right moment in American history. Her match against Bobby Riggs cemented her stature as America's first female sports superstar. She proved that women did not choke, were not frail and weak, and could face pressure and take it.

Riggs in tennis's "Battle of the Sexes" in 1973, she placed sports squarely at the center of a national debate about gender equity. In this winning combination of biography and history, Susan Ware argues that King's challenge to sexism, the supportive climate of second-wave feminism, and the legislative clout of Title IX sparked a women's sports revolution in the 1970s that fundamentally reshaped American society.
