Promoting gender equality at work: Gender inequality in the workplace might include hiring or training only one gender for a particular role (perhaps because it's seen as 'men's work' or 'women's work'). Female employees may also worry about treatment during pregnancy or motherhood, or being sexually harassed.

Gender Inequality in the Workplace | BrightHR | BrightHR

American women earn less than men, on average, in all industries. The largest pay gaps are in management positions, where men made \$88,000 on average in 2016, compared to just \$55,000 for women. The smallest gap appears in the construction sector, but women make up only 9 percent of workers in this industry.

Gender Economic Inequality - Inequality.org

Gender equality, according to UNICEF, is meaning that girls and boys, and women and men, will be able to enjoy identical opportunities, protections, and rights. Gender inequality is created when one gender group within a society has more opportunities and rights than the other.

Gender equality - Wikipedia

Gender and Inequality in the Arab Region. by Lina Abirafeh, Lebanese American University, Lebanon. While gender inequality is an unfortunate global reality, the Arab region faces not only the greatest gap, but also significant challenges in redressing this inequality. The region has long suffered economic and political insecurities, compounded by socio-cultural obstacles and a system of entrenched patriarchy.

Gender and Inequality in the Arab Region

Gender inequality is the social process by which men and women are not treated as equals. The treatment may arise from distinctions regarding biology, psychology, or cultural norms. Some of these distinctions are empirically-grounded while others appear to be socially constructed. Gender inequality also affects non-binary people.

Gender inequality - Wikipedia
