This AP\* Government student's companion is filled with vocab, activities and assignments that follow the Wilson/Dilulio, Bose and Levendusky 15th edition of American Government: Institutions & Policies for all 20 chapters. Its activities can be used as regular weekly assignments or reviews. They can be used on short notice if there is a sub, or be assigned as regular homework. All you need is the textbook, physical or online. Teachers can copy at will, and parents can use the book as a student consumable. The rationale for having this workbook is that publishers now put so much of their extra content online, traditional classwork is left lacking. No matter if the textbook itself is written in ink or electrons, many students still find it valuable to write and keep notes for themselves on paper, and portfolios still matter. The activities in this workbook challenge students to apply the concepts, give examples, diagram every chapter, and think things through with the authors. Find TTT on FB, or click author name at the top of this page for all titles in this series.

Kaplan's, 5-Steps, Crash Course and other review books are great resources for the last month before the exam, but Tamm's Textbook Tools student activity books are an accompaniment all year long. This AP\* United States Government and Politics companion is filled with vocab, activities and assignments that follow Edwards and Wattenberg's Sixteenth Edition of Government in America: People, Politics, and Policy+ (2014 Elections and Updates Edition) for all 18 chapters. Additionally, this book has been updated to cover the 2016 election season. Its activities can be used as regular weekly assignments or reviews. They can be used on short notice if there is a sub, or be assigned as regular homework. All you need is the textbook. Teachers can copy at will, or use the book as a student consumable. The logic for having a workbook like this is that as publishers began putting much of their content online, a niche for traditional classwork was opened. Whether the textbook itself is written in ink or electrons, many students still find it more valuable to write and keep notes for themselves on paper, and portfolios still matter. The activities in this workbook challenge students to apply the concepts, give examples, and diagram every chapter. Find TTT on FB.
