Sophie's Universe was originally released as a 20-part CAL (crochet-along) in 2015, designed by Dedri Uys and sponsored by Scheepjes yarn. It is now available in printed format exclusively from Annie's! Despite its complexity, the pattern is actually written specifically for adventurous beginners. It starts out with a simple granny square that has a beautiful crochet flower in the center and gradually unfolds into a stunning, hypnotizing design.

Amid the turmoil in the Eurozone, economic problems in Russia, stagnation in Japan, and rumblings that China may slip into recession, the one reliable asset is the American dollar. While it may encounter ups and downs, investors for decades have been confident that it will never lose a substantial part of its value. That may be about to change. In The Big Reset, Willem Middelkoop lays out the case for an inevitable monetary reset, one that will be designed to keep the United States in the driver's seat, but will include strong roles for the Euro and China's Renminbi--and, crucially, gold. This fully revised edition of Middelkoop's book takes into account developments since its original publication, which have only strengthened the case for the coming return of gold.

Magic is everywhere, and in everything. To Finnian Voy, magic is two things: a knife to hold under the throat of anyone who crosses her, and a disguise she shrugs on as easily as others pull on cloaks. As a talented faceshifter, it's been years since Finn has seen her own face, and that's exactly how she likes it. But when she gets caught by a powerful mobster, she's forced into an impossible mission: steal a legendary treasure from Castallan's royal palace or be stripped of her magic forever. To Prince Alfehr, magic is an escape, but one that comes with a price. First in line for the throne after the disappearance of his older brother, Alfie is desperate to find him and bring him home, even if it means dabbling in forbidden magic. And when Finn and Alfie's fates collide, they realise magic can be other things too, and the type they accidentally release into the world is something neither expects, or understands. It's hungry...

Amamani is short for Amigurumi Amish Animals. They are based on the traditional Amish puzzle ball, and, as such, come apart into three segments, or rings, which have to be assembled to form your animal. Gauge isn't important in these projects; however, it is important that you work as tightly as you comfortably can. Helpful tips and step-by-step photos are included in this pattern book. Each of the six designs is stitched in segments using Deborah Norville Everyday Premier yarn, is stuffed with polyfiberfill, and includes a pair of safety eyes. Animals included are Dinosaur, Elephant, Giraffe, Turtle, and two versions of Lion.

Heirlooms are a family's link from its past to the present and a legacy for the future. They are special things that have personal meaning. Knitting at its best can produce lovely articles that are used today and will readily become heirlooms.
