This handbook focuses on organizational socialization, or the process through which

Acces PDF Handbook Of Socialization Theory And Research

Individuals acquire the knowledge, skills, attitudes, and behaviors required to adapt to a new work role. This chapter launches the handbook by defining organizational socialization, differentiating this term from the related concept of onboarding. The importance of organizational socialization is discussed, and the major sections and contributions of this handbook are outlined.

Facilitating Organizational Socialization: An Introduction ...

Group socialization is the theory that an individual's
