Health, Civilization and the State: A History of Public Health from Ancient to Modern Times. This book examines the social, economic and political issues of public health provision in historical perspective.

Health, Civilization and the State: A History of Public ...

My point in Health, Civilisation and the State was simply that if we start to broaden our object of enquiry by investigating 'collective actions in relation to population health', then it will perhaps afford us rich interpretations such as the example I have given here. Such an insight might have been overlooked perhaps by earlier historiographical approaches that used rather narrower definitions of their subject that were inspired by the achievements of pioneer practitioners of public ...

Health, Civilization and the State | Reviews in History

Health, Civilization, and the State. : Dorothy Porter. Psychology Press, 1999 - Medical - 376 pages. 0 Reviews.
