Now one of Kirkus Reviews' "Best Books of the Year" From Paul French, the New York Times bestselling author of *Midnight in Peking*—winner of both the Edgar Award for Best Fact Crime and the CWA Gold Dagger for Non-Fiction—comes *City of Devils*, a rags-to-riches tale of two self-made men set against a backdrop of crime and vice in the sprawling badlands of Shanghai. Shanghai, 1930s: It was a haven for outlaws from all over the world: a place where pasts could be forgotten, fascism and communism outrun, names invented, and fortunes made—and lost. “ Lucky ” Jack Riley was the most notorious of those outlaws. An ex – U.S. Navy boxing champion, he escaped from prison and rose to become the Slots King of Shanghai. “ Dapper ” Joe Farren—a Jewish boy who fled Vienna ’ s ghetto—ruled the nightclubs. His chorus lines rivaled Ziegfeld ’ s. In 1940, Lucky Jack and Dapper Joe bestrode the Shanghai Badlands like kings, while all around the Solitary Island was poverty, starvation, and war. They thought they ruled Shanghai, but the city had other ideas. This is the story of their rise to power, their downfall, and the trail of destruction left in their wake. Shanghai was their playground for a flickering few years, a city where for a fleeting moment even the wildest dreams could come true.

Co-published by Plunkett Lake Press and George Braziller, Inc. On an autumn morning in 1894, Captain Dreyfus was summoned to appear for a routine inspection; instead, as he took down a letter dictated by a senior officer, he was summarily accused of high treason. So began a twelve-year series of events that included his imprisonment on Devil ’ s Island, the publication of Emile Zola ’ s passionateJ ’ Accuse, the Rennes retrial, and the pardon and final rehabilitation of 1906. As the Dreyfus

case turned into the Affair, the history of a single military career came to display the conflicts that were tearing France apart: military defeat, anti-Semitic furor, and the place of traditional values in a country still reeling from the turbulence of the French Revolution. Told with an historian ' s insight and a novelist ' s skill, *The Affair* makes fascinating and informative reading about one of the most celebrated episodes in modern history. “ There have been many books about the Dreyfus Affair, but Jean-Denis Bredin's book is one of the best of them — lucid, well-organized, informed by a fine sense of drama. ” — John Gross, *The New York Times* “ [a] critically acclaimed study ” — Michiko Kakutani, *The New York Times* “ If one is limited to a single book about the Dreyfus case and its consequences, this should be it. Bredin has told this story with precision, passion, and a vivid sense of character. ” — *The New York Review of Books* “ A brilliant and fascinating book. What is most remarkable about *The Affair* is the skill and sensitivity with which the author places it in its essential historical setting. It is also a gripping — though terrible — story superbly told. ” — *The Atlantic* “ This is the most judicious and absorbing account to date of the Dreyfus Case. ” — *The Boston Globe* “ This is certainly the best book on the Dreyfus case now available in the English language. ” — *San Francisco Examiner* “ Bredin is crystal clear in his gripping narrative of the complex case. His tapestry glows with all the color of the Belle Epoque and its extravagances. ” — *Chicago Sun-Times* “ There have been other books on the Affair, but I can ' t imagine any of them coming even close to Bredin ' s work. He is brilliant at placing the myriad elements of the Affair in context with verve and lucidity. It should be a model for future historians. ” — *San Francisco Chronicle*

As the visual representation of an essentially oral text, Sylvia Huot points out, the medieval illuminated manuscript has a theatrical, performative quality. She perceives the tension between implied oral

Download File PDF Hearsay French With Activity Book Amazing Hear Say French Edition

performance and real visual artifact as a fundamental aspect of thirteenth- and fourteenth-century poetics. In this generously illustrated volume, Huot examines manuscript texts both from the performance-oriented lyric tradition of *chanson courtoise*, or courtly love lyric, and from the self-consciously literary tradition of Old French narrative poetry. She demonstrates that the evolution of the lyrical romance and *dit*, narrative poems which incorporate thematic and rhetorical elements of the lyric, was responsible for a progressive redefinition of lyric poetry as a written medium and the emergence of an explicitly written literary tradition uniting lyric and narrative poetics. Huot first investigates the nature of the vernacular book in the thirteenth and fourteenth centuries, analyzing organization, page layout, rubrication, and illumination in a series of manuscripts. She then describes the relationship between poetics and manuscript format in specific texts, including works by widely read medieval authors such as Guillaume de Lorris, Jean de Meun, and Guillaume de Machaut, as well as by lesser-known writers including Nicole de Margival and Watriquet de Couvin. Huot focuses on the writers' characteristic modifications of lyric poetics; their use of writing and performance as theme; their treatment of the poet as singer or writer; and of the lady as implied reader or listener; and the ways in which these features of the text were elaborated by scribes and illuminators. Her readings reveal how medieval poets and book-makers conceived their common project, and how they distinguished their respective roles.

The Migrant Canon in Twenty-First-Century France explains the causes of twenty-first-century global migrations and their impact on French literature and the French literary establishment. A marginal genre in 1980s France, since the turn of the century "migrant literature" has become central to criticism and publishing. Oana Sabo addresses previously unanswered questions about the proliferation of

Download File PDF Hearsay French With Activity Book Amazing Hear Say French Edition

contemporary migrant texts and their shifting themes and forms, mechanisms of literary legitimation, and notions of critical and commercial achievement. Through close readings of novels (by Mathias Énard, Milan Kundera, Dany Laferrière, Henri Lopès, André Makine, Éric-Emmanuel Schmitt, Alice Zeniter, and others) and sociological analyses of their consecrating authorities (including the Prix littéraire de la Porte Dorée, the Académie française, publishing houses, and online reviewers), Sabo argues that these texts are best understood as cultural commodities that mediate between literary and economic forms of value, academic and mass readerships, and national and global literary markets. By examining the latest literary texts and cultural agents not yet subjected to sufficient critical study, Sabo contributes to contemporary literature, cultural history, migration studies, and literary sociology.

Presents a case of scandal, crime, and justice in medieval France, where a Norman knight returns from Scotland and finds his wife accusing an old friend and fellow courtier of raping her, leading to a battle to the death.

Book Excerptd for official reception hours."He took advantage of that privilege freely. Well, lie had no official duties, you know. The Military Mission was supposed to be more complimentary than anything else, the head of it being a personal friend of our Emperor Alexander; and he, too, was laying himself out for successes in fashionable life exclusively--as it seemed. As it seemed."One afternoon Tomassov called on the mistress of his thoughts earlier than usual. She was not alone. There was a man with her, not one of the thick-waisted, bald-headed personages, but a somebody all the same, a man over thirty, a French

Download File PDF Hearsay French With Activity Book Amazing Hear Say French Edition

officer who to some extent was also a privileged intimate. Tomassov was not jealous of him. Such a sentiment would have appeared presumptuous to the simple fellow."On the contrary he admired that officer. You have no idea of the French military men's prestige in those days, even with us Russian soldiers who had managed to face them perhaps better than the rest. Victory had marked them
