Margot Berwin, quote from
Hothouse Flower and the Nine Plants
of Desire “ I twirled it around in front
of my eyes, going momentarily cross-
eyed as I looked for any sign of roots.
Of course it was much too soon, and I
knew that there wouldn't be any, but I

checker by nature: lights, stoves,
occasionally underneath beds, and,
apparently, now plant stems.

heartbreaking divorce, Lila's mantra is simple: no pets, no plants, no people, no problems. But when Lila meets David Exley, a ruggedly handsome plant-seller, her lonely life blossoms into something far more colorful. From the cold, harsh streets of Manhattan to the verdant jungles of the Yucatan Peninsula, Hothouse Flower is the story of a woman who must travel beyond the boundaries of sense and comfort to find what she truly wants.

When Lila stumbles across a strange laundromat, which houses a fern so valuable that a small piece of it is worth thousands of dollars, the owner offers her a cutting provided that she passes a test of growing a fire fern from a small cutting.

Bequeathed an original fragrance designed for her by her perfumer grandmother, eighteen-year-old Evangeline becomes an object of intense desire to those around her and wonders if a lonely artist who does not register her scent is the only person who loves her for herself.

Ann Smith loves her handsome, dynamic boss, Jasha Wilder, but her daring plan to seduce him goes awry when she encounters a powerful wolf who-before her horrified eyes-changes into the man she adores. She soon discovers she can't escape her destiny, for she is the woman fated to break the curse that binds his soul.

The author of *Excellent Women* explores female friendship and the quiet yearnings of British middle-class

life—a literary delight for fans of Jane Austen. Jane Cleveland and Prudence Bates were close friends at Oxford University, but now live very different lives. Forty-one-year-old Jane lives in the country, is married to a vicar, has a daughter she adores, and lives a very proper life in a very proper English parish. Prudence, a year shy of thirty, lives in London, has an office job, and is self-sufficient and fiercely independent—until Jane decides her friend should be married. Jane has the perfect husband in mind for her former pupil: a widower named Fabian Driver. But there are other women vying for Fabian ' s attention. And Pru is nursing her own highly inappropriate desire for her older, married, and seemingly oblivious employer, Dr. Grampian. What follows is a witty, delightful, trenchant story

of manners, morals, family, and female bonding that redefines the social novel for a new generation.

With a seven-year age difference, Ryke & Daisy have faced an uphill battle in the eyes of the world and their families. Known as the most adventurous, fast-paced couple — their next step has always been elusive to the rabid media. Behind the scenes, heartbreaking troubles continue to test Ryke & Daisy ' s resilience and shape their future together. They promise: To never slow down. To never compromise who they are. To never abandon their love for each other. But preserving their happiness also means adding more risks. Ones that Connor Cobalt wouldn ' t even take. As a professional free-solo climber, Ryke is

no stranger to risk, but his next step with Daisy wagers more than just his health. With their lives on the line, Ryke & Daisy head towards the vast, wild unknown in this epic final conclusion to the Addicted series.

A violent crime brings together four lives in Danielle Steel ' s sixtieth bestselling novel, the story of a mother ' s courage, a family ' s terror, and a triumph of human strength and dignity in the face of overwhelming odds. Outside the gates of a California prison, Peter Morgan is released after four long years and vows to redeem himself in the eyes of the young daughters he left behind.

Simultaneously, Carl Waters, a convicted murderer, is set on the path of freedom with him. That night, three hundred miles south in San Francisco,

Of Doomsday
police detective Ted Lee comes home to a silent house; for twenty-nine years, he has been living for his job—and slowly falling out of love with his wife. Across town, in an exclusive Pacific Heights neighborhood, a mother tries to shield her three children from the panic rising within her. Four months after her husband ' s death, Fernanda Barnes faces a mountain of debt she cannot repay, a world destroyed, and a marriage lost. Within weeks, the lives of these four people will collide in ways none of them could have foreseen. For Fernanda, whose life had once been graced by beautiful homes, security, success, and stunning wealth, the death of her brilliant, brooding husband was already too much to bear. She simply couldn ' t imagine a greater loss, until a devastating crime

rocks her family to its core—and brings Detective Ted Lee into her life. A man of unshakable integrity, Lee will soon become the one person who tries to save Fernanda ' s family from a terrifying fate. Fernanda must draw on a strength she never knew she had. Racing against time in the underbelly of the criminal world, buffeted by the dark side of power, and unmoored by loss and betrayal, no one can predict where this tragedy will take them. Danielle Steel brilliantly explores the collision of a shocking crime with the ordinary lives of its victims in a novel that mesmerizes from start to finish. Ransom is at once a riveting evocation of life ' s inexplicable turns of fate and a testament to the human will to survive.
