Admired by both Proust and Breton, this,nineteenth century book was also the favourite of,artist Joseph Cornell. One of the original,bohemians, Nerval was well known in his day for,parading a lobster on a blue ribbon through the,gardens of the Palais-Royal, and for his suicide,(1855), hanging from an apron string he called the,garter of the Queen of Sheba.

"The problem with crazy is that crazy, by itself, has no context. It can be good crazy, bad crazy ... or "crazy" crazy—like it was when my ex-boyfriend sung about me on the radio." Eighteen-year-old Kate couldn't be more excited about finishing high school and spending the summer on tour with her boyfriend's band. Her dad showing up drunk at graduation, however, is not exactly kicking things off on the right foot—and that's before she finds out about his mystery illness, certain to end in death. A mystery illness that she could inherit. Kate has to convince everyone around her that her father is sick, not crazy. But who will be harder to convince? Her friends? Or herself? The Problem With Crazy "is a story about love and life, about overcoming obstacles, choosing to trust, and learning how to make the choices that will change your life forever."

Kale Rollins' life has become a living nightmare. As if it wasn't awkward enough being an adopted normal kid in a family of purebred shapeshifters, he was now being transferred to a new school made solely for their kind. And it gets worse. He must attend this school under the pretense that he too is a shapeshifter, in order to "babysit" his fourteen year old brother who has suddenly shifted a year earlier than expected. However, with the new found knowledge that shapeshifting families are mysteriously disappearing, Kale wonders if attending Emerson Fox Academy is actually as safe as it seems. Before he even reaches the school, he finds himself in the middle of a feud that could become life-threatening to him and his brother. Unexpectedly friendships are formed as he chooses a side - so are enemies. There is one girl though who through it all that makes him want to stay. Except the closer he gets to Lavallette Waters, the harder it is to keep up his facade. As secrets start to unravel around him, Kale wonders what will happen next. ... Will "babysitting" his brother be the death of him? Can he really trust Lavallette? And how much more time do they have before someone they care about disappears?
