Worship is an act of glorifying God . In this book we learn why we worship and how to grow closer to God. Worship is displayed in many ways, but for our worship to be true and

honest, we should have a clean heart before the Lord and learn of Him. God desires for us to worship and it is vital for serving God. When we recognize who God is, repent before Him - then "He will heal our land." When we worship with our whole heart, holding nothing back, God knows. Let this book of worship heal your soul. Listen to the words and I know we will be more aware of God and His presence.
