In Italy, Harvard professor Robert Langdon is drawn into a world centered on one of history's most mysterious literary masterpieces--Dante's "Inferno"--as he battles a chilling adversary and grapples with an ingenious riddle.

Draws on interviews with veterans and new primary sources to present a narrative account of the pivotal World War II campaign, chronicling the three-month effort to gain control of Guadalcanal as a battle that taught the U.S. Navy and Marines new approaches to warfare.

Introduction and Notes by Anthony Oldcorn. Offers a bilingual text and features a new translation of the best known canticle of The Divine Comedy by the accomplished translator of Virgil's Aeneid and Homer's Iliad and Odyssey.

Robert Langdon, professeur de symbolologie à Harvard, se réveille en pleine nuit à l'hôpital. Désorienté, blessé à la tête, il n'a aucun souvenir des dernières trente-six heures. Pourquoi se retrouve-t-il à Florence ? D'où vient cet objet macabre que les médecins ont découvert dans ses affaires ? Quand son monde vire brutalement au cauchemar, Langdon va s'enfuir avec une jeune femme, Sienna Brooks. Rapidement, Langdon comprend qu'il est en possession d'un message codé créé par un éminent scientifique - un génie qui a voué sa vie à éviter la fin du monde, une obsession qui n'a d'égale que sa passion pour l'une des oeuvres de Dante Alighieri: le grand poème épique Inferno. Pris dans une course contre la montre, Langdon et Sienna remontent le temps à travers un dédale de lieux mythiques, explorant passages dérobés et secrets anciens, pour retrouver l'ultime création du scientifique - véritable bombe à retardement - dont personne ne sait si elle va améliorer la vie sur terre ou la détruire.

As civil war spreads throughout the galaxy, the Solo/Skywalker clan confronts its own challenges, as Jacen Solo, now a full Sith Lord, seizes control of the Galactic Alliance and Luke Skywalker must decide whether or not to support Jacen or to join the re

Poet, essayist and performer Eileen Myles' chronicle transmits an energy and vividness that will not soon leave its readers. Her story of a young female writer, discovering both her sexuality and her own creative drive in the meditative and raucous environment that was New York City in its punk and indie heyday, is engrossing, poignant, and funny.

An acclaimed translation of Dante Alighieri's The Divine Comedy Volume 1: Inferno that retains all the style, power and meaning of the original A Penguin Classic This vigorous translation of Inferno

preserves Dante's simple, natural style, and captures the swift movement of the original Italian verse. Mark Musa's blank verse rendition of the poet's journey through the circles of hell recreates for the modern reader the rich meanings that Dante's poem had for his contemporaries. Musa's introduction and commentaries on each of the cantos brilliantly illuminate the text. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

An introduction and notes accompany this classic epic poem about a spiritual pilgrim being led by Virgil through the nine circles of hell.

In 1867, Henry Wadsworth Longfellow completed the first American translation of Inferno and thus introduced Dante's literary genius to the New World. In the Inferno, the spirit of the classical poet Virgil leads Dante through the nine circles of Hell on the initial stage of his journey toward Heaven. Along the way Dante encounters and describes in vivid detail the various types of sinners in the throes of their eternal torment.
